

WILL HONOR DEAD OF ALL WARS WEDNESDAY

Frankfort Grade School Pupils Will Receive Diplomas at Graduation Program Friday Night

The school year for the Frankfort grade school does not end until June 5 but graduation exercises, at which 25 pupils will receive diplomas, will be held tomorrow night at 8 o'clock in the school gymnasium.

Dr. Ralph Wright, assistant principal at Lincoln-Way school will be the speaker. The class motto is "Success Awaits at Labor's Gates," and the class flower is the red rose. Miss Viola Lankenau, principal, and LeRoy Wright are the eighth grade teachers.

Members of the graduating class are: Orville Bell, Jerry Breymeyer, Roger Christiansen, Gerald E. Enbrant, James Englebrecht, Daris Hobbs, Nancy Heiser, Myrtle Klier, Sharon Landau, James Larson and Bruce Lewin, Charles Miller, Glenn Patterson, Gerald Piepenbrink, William Rahn, David Robinson, Philip Scudella, Joyce Schofield, Norman Sievert, Shirley Sievert and Myron Subbert.

Mokena Teacher Resigns to Take Post at Bellwood

Joseph J. Mucci, sixth grade teacher in the Mokena grade school has resigned effective at the close of the present school year to accept a position in the elementary system at Bellwood, a Chicago suburb near Oak Park.

He will teach in one of the upper grades. Mr. Mucci, whose home is in Chicago, has been teaching in the Mokena school for the past two years. He has been rooming in Joliet. No one has been hired yet to succeed Mr. Mucci.

NOW IN GERMANY

Pvt. Norman Bernard, who was the Tinley Park 4-H Boys club leader for several years and who received his training at Ft. Dix, New Jersey, left May 21 for Worms, Germany where he will be stationed for the next 18 months.

His wife and 2 month old son Dale who live at 16806 Oak Park Ave., Tinley Park plan to join him in Worms as soon as living quarters are available. Pvt. Bernard is the son of Mr. and Mrs. William Bernard of Mokena.

A South African inventor has perfected an automatic fishing reel which brings in the fish all by itself—it says here.

Mokena Scouts Attend Camporee At Kankakee Park

Troop 40 of Mokena attended the Rainbow Council Camporee held at the Kankakee river state park last Friday, Saturday and Sunday. The theme of the Camporee was "Loggers Field Day." The competitive events consisted of log bucking, fire building, Morse signalling, horse shoe pitching, log twitching, log rolling, seed guessing contest, musket shooting, and blindfold compass course. Buddy teams participated in these contests with the exception of the last three, which were individual.

Troop 40 was involved in a multiple tie for third place in horseshoes by Kenneth Lorenz and Robert Munch, but they lost in the play-off. In the log twitching contest (consisting of running 50 feet attaching a rope to a log with a timber hitch secured with a half hitch and pulling the log 50 feet back to the starting line) Robert Munch and Ken Lorenz again put Troop 40 in the running. They tied for first place with a time of 12 seconds, and won in the run off.

The troops were also judged upon camping ability, use and cleanliness of equipment, menu and junior leadership on a patrol basis. The scouts attending were: Ken and Ray Lorenz, John Kropp, Charles Klech, Paul Machalek, Mark Muehler, Dan Williams, Billy Sluis, Todd Bennett, Ron Badten, Gerald Daugherty, Robert Munch, Albert W. Janner, assisted scoutmaster and Arthur Omland, scoutmaster.

Along with the preparation for the Camporee, Troop 40 took time out to participate in a Cub Scout graduation Thursday night. Mr. Omland offered the new scouts a chance to accompany the troop to the Camporee the next night. Ger. Daugherty took him up on it, and had a fine time. As the Scoutmaster said, "You can't hardly get started any quicker than that any more."

SCRAP PAPER DRIVE

Thursday evening May 31 the monthly scrap paper drive in Mokena will be for the benefit of the Boys Scouts. The Mokena Lions will work on the drive as usual to assist the Scouts. Have bundles of paper tied and placed at curbs in front of your home.

SENIOR PICTURES

Pictures of the 1956 graduating class of Lincoln-Way High school are carried in this issue.

L-W Seniors To Get Awards On Class Night

The evening of June 1 has been designated as Senior Class night at Lincoln-Way high school.

Awards and scholarships will be presented to those seniors who have earned them. The seniors, clad in caps and gowns, will be seated on a platform in the school gymnasium. The program is to begin at 8 o'clock.

The American Legion Medal awards will be presented to the boy and girl chosen by the seniors themselves in a recent election for the following characteristics: courage, leadership, honor, service and scholarship. A Mathematics award will be presented to the student who showed the highest score in our school on a national examination.

Scholarships, American Chemical Society award, a Home Economics award, and the Arion Foundation for outstanding musicianship presented by the Band Boosters, are among those to be given.

The vocational agriculture department will present the DeKalb award to the outstanding senior boy enrolled in the vo-ag and also the State Farmer degree to eligible seniors.

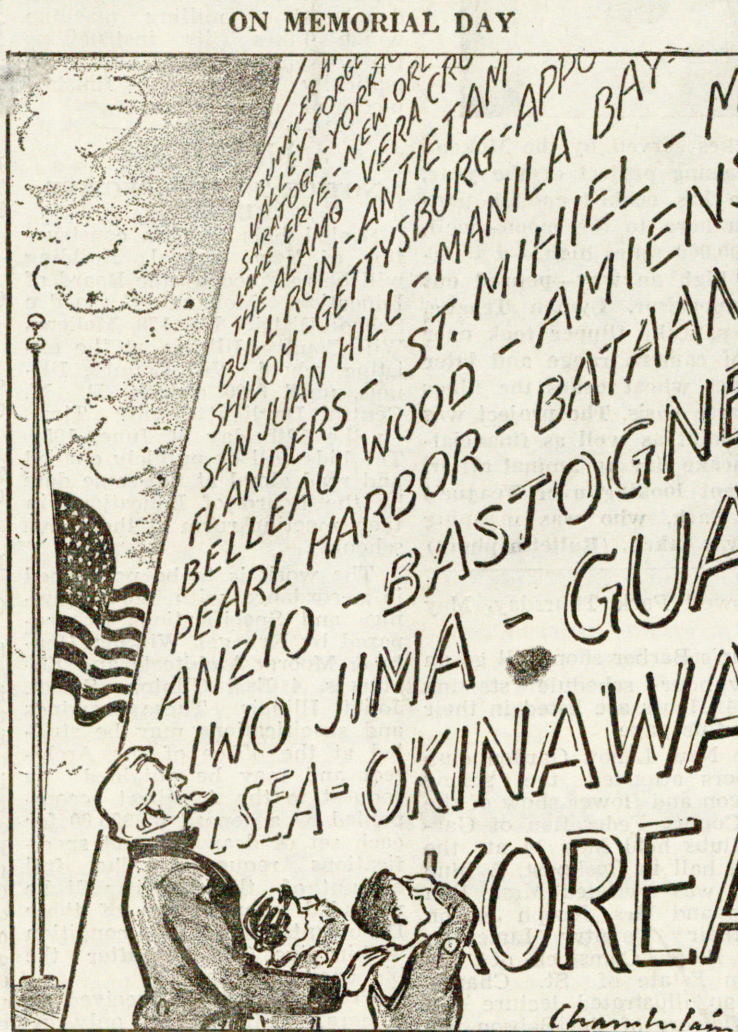

Each year the Phi-Chem Association presents a scholarship to the outstanding senior science student based primarily on the student's potential ability to succeed in college. The recipient will get \$40 a year for his four years in college.

The National Honor Society will present two \$50 scholarships to members of the N.H.S. This selection is based 50 per cent on need, 25 per cent on service and 25 per cent on scholarship. "You can't hardly get started any quicker than that any more."

Offers Course In Youth Training

A group of Frankfort people will attend a special meeting of training and instruction to be held in St. Charles Saturday, May 26 starting at 10 am.

Dr. Maria Piers, psychiatrist, will train and instruct counselors. Sunday school teachers, youth workers etc., in discipline

Elmer Cooper Estate Goes to Son, Daughter

The will of Elmer C. Cooper, Mokena automobile dealer who died Feb. 26, 1956, has been filed in the office of Probate Clerk E. B. Workman at Joliet. Under the terms of the will the estate, for which the petition gives an estimated value of \$64,000, is to be divided equally between Harold Cooper and Mrs. Hugo Niehmman, son and daughter of the testator. The valuation on the personal property is given as \$48,000 and the real estate at \$16,000.

The law firm of Robson, Masters and Ryan is handling the estate. Attorney Frank H. Masters, Jr., as a member of the firm, was named by Mr. Cooper as executor for the estate but he declined to act. The petition asks that Harold Cooper be named as executor.

GOOD WILL TRUCK

The Good Will truck will call at Orland Park on the morning of June 4. Those who have articles for pickup will please leave them at Mrs. Ekberg's home.

of children and young people. Anyone interested in this instruction should contact the Rev. Ben F. Day for information and transportation.

Circus to Show At New Lenox

The New Lenox Lions are sponsoring another fund raising enterprise—a three-ringed circus that is to give two performances this Sunday, May 27. The tents will be erected on the Oakview school grounds in New Lenox. The matinee is to begin at 2 o'clock and the evening performance at 8:00. There will be reserved seats.

The show—Leonard Brothers, of London, O., carries animals and animal acts as well as the other attractions that are associated with circuses, according to Charles Carnahan, Lions club representative.

Tickets are being distributed thru the public schools of the surrounding territory. They may be obtained at New Lenox.

Zoning Board OK's Petition

Petitions for rezoning of property in Mokena and New Lenox have been allowed by the Will county zoning board of appeals, subject to final approval by the board of supervisors.

Hearings were held Thursday night of last week at the Cooper-Hostert garage in Mokena and the Rock Island station at New Lenox. Harold Cooper, of Mokena, is now a member of the zoning commission as successor to his father, the late Elmer Cooper.

The hearing at Mokena was on the request of Glenn T. Hensel, a Joliet realtor, who asked for reclassification from F-1 to B-1 of a tract fronting on Francis rd., to serve as a shopping area for subdivision he is opening west of 116th ave. Hensel purchased an 80 acre farm there.

There were two petitions heard at New Lenox. Ernest C. Howler was allowed a change from F to B-1 for the east side of Cooper rd. and north of the railroad tracks. He is planning a wholesale merchandise store and warehouse.

In the other, Ceward Batson was granted a change from F to I-1 for a 5-acre tract in section 16 where he plans to place a material yard.

Building permits issued at the office of Ralph Newkirk, Will county zoning officer, in the past three weeks call for construction valued at \$1,418,700, of which \$940,000 is for homes.

Among the home permits issued were four to George Yapp, Rt. 1, Mokena. He plans to build three 5-room units on Maple Lane in New Lenox, one between Elm and Pine, and are to cost \$10,000 each. A 7-room home, cost \$22,000 is to be built on the west side of Park rd., a mile northeast of Route 6.

Orland Fire Dept. To Give Dance Saturday Night

The Orland Park volunteer fire department is holding its annual dance Saturday night, May 26, in the American Legion hall on 143rd and Keane av., Orland Park.

This is the "dance of the year" according to department members and the public is invited.

Veteran Groups Plan Services in Keeping With Memorial Day

Originally designated as a day to honor the Union dead of the Civil War and also pay tribute to the living veterans who wore the blue, Memorial day, May 30, is now dedicated to pay respect to the veterans of all wars.

The graves of the soldier dead are visited and many communities services are held in the cemeteries and Taps sounded after firing squads loose requiem volleys. Memorial day is a legal holiday in Illinois and many other states but it is not a national holiday. The South has its own Decoration day, earlier than the date observed in the North, which is only natural when one considers that flowers bloom early there. And despite all the greenhouses and florist shops about the country there are many sections in which the blossoms used to deck the graves on Memorial day come from gardens.

In Mokena, Frankfort and New Lenox public observance of Memorial day is planned for next Wednesday, May 30. All places of business will be closed and programs are planned.

Frankfort

Memorial day services will be held at Frankfort next Wednesday afternoon under the auspices of Bobzin-Swinford post, No. 1098 American Legion.

The program is scheduled to begin with a parade that is to form on the school grounds and move off promptly at 1:30 o'clock. Legionnaires, members of the Woman's Auxiliary and school children will march.

The parade will proceed to the village hall where a brief Memorial service will be held and then the marchers will move on to Pleasant Hill cemetery.

There will be another service at the cemetery, concluding with the sounding of taps. There will be a song by the children who also will decorate the veterans graves with flags and flowers and then return to the school for a short program.

Good Turnout For Free Golf Lessons At Mokena Park

There was a good turnout at the free golf lesson given Tuesday night at Mokena Memorial park by Tom Geary, a professional golfer turned banker.

The lesson this week dealt with driving and beginning next week Geary will take up the various irons. The last lesson will be concerned with putting.

These lessons are to be held Tuesday night beginning 7 o'clock. Should they be taken out on a Tuesday they will be held on a Wednesday night. If it rains then the lesson will go over to the next week. The last lesson will be given June 12.

The lessons are being given thru arrangements by the park board with the Golf Equipment Co., which has hired Geary to give the instructions.

Those attending the lesson last night were enthusiastic over Geary's teaching and expect the course of instruction will slice quite a few strokes from their scores.

The golf school is open to any resident in the Mokena area who is 17 years of age or older. Later in the summer Geary will conduct a golf school at the park for children under 17.

Get Cub Awards; 7 Become Scouts

Eleven Cub Scouts received awards at the meeting of pack 40 held in Mokena public school May 17 and seven became full fledged Boy Scouts.

Thomas Hull, William Anderson, William Hude, James Gorman, Ross Howes, George Demus, and James Gerrard received gold arrows and Ross Howes and James Gerrard also received silver arrows. Jack Chisholm was presented a Bob Cat award.

James Gerrard, Lewis Akers, Billy Alexander became Lion Cub Scouts and Gerald Daugherty, Peter Demus and Terry Muehler became Wolf Cub Scouts.

Wayne Swannberg, John Selnik, Gerald Savers, Lewis Akers, Gerald Daugherty, Robert Heinicke and Donald Niemann were graduated into the Boy Scout group. Scout Master Arthur Omland conducted the Indian candlelight graduating ceremony.

Serving on the organization's board for next year will be Wendell Hamilton, chairman; Ray Hoolehan, assistant; Lyman Teague, Cub Scout master; Wesley Cappel, assistant; George Gorman, secretary; Donward Fant, treasurer and institutional representative and Erwin Howes, award man.

Thursday, June 7 has been tentatively set for the pack picnic.

Don 2 won the attendance award for the fourth time and Mrs. George Bernard, Den 7 mother, served refreshments. This was the last pack meeting for this season.

New Lenox

Memorial day will be observed in New Lenox with special services Wednesday, May 30, to be sponsored by the members of the Harry E. Anderson VFW post 9545.

Members of the post, Boy Scouts, school children all civic organizations, the New Lenox grade school band and any persons who desire, will meet at the Oak View public school. They will leave from the school at 10 a.m. and march to the Maplewood cemetery where the graves of soldiers of all wars will be decorated.

After the decorating of the graves, the Rev. Harris Michael Mokena, pastor of the Grace Episcopal church will deliver a brief address at the cenotaph, appropriate for the occasion.

Flag Etiquette

We have been requested by the members of the William Martin post VFW, to republish the following letter, written by a former Mokena resident and member of the Post.

August 16, 1954
Mrs. Margaret Semmler
Editor

Mokena News-Bulletin
I have participated in the past four parades and Memorial day services held each year in Mokena as part of the color guard. Each year it hurts me very deeply to see the discourtesy and complete indifference shown by the residents of this community to the flag of the United States of America. Of the huge crowd that viewed the parade held here Sunday, I could count on my fingers the number of people who showed their respect to the flag of their country by a simple salute.

Those who were sitting would not even take the courtesy to rise as the flag passed. If by chance there were any communists watching the parade, they must have felt a glow of satisfaction, and could answer to their Russian friends that the seeds of communism could grow from the corn in our fertile fields.

We spend millions of dollars annually to educate our children in our schools and then destroy these teachings by setting a poor example. One of the first things taught our children in our schools is the "Pledge of Allegiance to the Flag." Our Congress which is still in session, was so concerned that it spent many hours of their busy session to revise the pledge to include "one nation under God as part of the pledge."

As veterans we participate in these parades only for the pride of our organization and the satisfaction of being a part of this great nation.

I will continue to be part of the color guard in the Memorial day services out of respect for those who paid the supreme sacrifice to keep our nation free. I personally will never again be part of the colors in the honoring of a parade because of the humility I would feel because of the utter disrespect shown our flag. In past parades we were joined by many other veteran groups with their colors. Evidently our neighboring veteran groups feel as I do, as not one of them were present with their colors although all were asked to participate.

I hope that the people who read this will take it to heart and in the future be proud to show their respect for their flag on all occasions that it is displayed.

Sincerely,
Edward S. Carroll,
Senior Vice Commander

Large doses of vitamin D hold much promise as a way to prevent milk fever in dairy cows.

Don 2 won the attendance award for the fourth time and Mrs. George Bernard, Den 7 mother, served refreshments. This was the last pack meeting for this season.

Mokena

Commander Clarence Werner of the Veterans of Foreign Wars and Commander Andy Zink of the Amvets have marshalled their respective veterans posts in a combined Memorial Day service on Wednesday, May 30. The two posts and their auxiliaries will gather at the VFW hall on Wolf rd., Mokena at 10 a.m. for a short service.

As in the past, children of St. Mary's Catholic school and the Mokena grade school will participate with individual song selections.

The Boy Scouts and Girl Scouts under the leadership of Arthur Omland and Mrs. Rudolph Engelhardt will participate in the march.

The invocation prayer will be offered by Fr. Cecil Coop, of St. Mary's Catholic church.

The grade school choir under the direction of Glenn L. Miers will give two selections. The roll call of departed comrades will be followed by a rendition of two numbers by the St. Mary's school choir, directed by Sister Theresa Clare, principal.

The entire assembly will join in a community sing.

The Rev. Arthur Contois, of the Mokena Baptist church, will address the assembly. The benediction will be given by Fr. Cecil Coop.

The program will close with the retiring of the colors, following which the units will fall in line for a march to the local cemeteries for grave side services.

Sermon in Song Will be Given At Frankfort

George Matthews, Negro tenor and "Singing Missionary," will present a sermon in song at the Frankfort Methodist church, Sunday May 27, at 8 pm. The public is invited.

"Song success" was predicted for George Matthews by Charles Wakefield Cadman, when the late composer heard the young tenor in his home in San Diego, Calif. a few years ago.

When he was a boy soprano in a church choir, and soloist with high school and college groups it was expected that he would seek to enter the field of opera or concert.

Then one day he was invited to sing at Garrett Biblical institute on the campus of Northwestern university. Dr. Horace G. Smith, then president, said: "We were lifted up by the artist," and the door was opened. Now, his "sermon in song," which is his own creation, is being recorded by many churches and schools as their "inspirational highlight" each year. He is in great demand and has this spring completed 20 appearances in two weeks in Iowa churches and recently sang at the First Methodist church of Naperville.

He was born in North Carolina and received his musical training at the Detroit Institute of Musical Art and the Eastman School of Music, Rochester, N. York.

A social hour, with coffee and cookies being served, has been planned following the service of worship, according to the Rev. Ben F. Day, pastor of the Frankfort church. Churches of all denominations in the Joliet area have been invited to participate in this special service and time of fellowship.

GRASS FIRE

The Mokena fire department was called to a grass fire Tuesday evening at 7 o'clock in the Bartlett subdivision north of Mokena. When the fire fighters arrived neighbors had succeeded in extinguishing the fire. There was no damage.

G.A.A. Committee Chairmen For Mother-Daughter Dinner

The six girls who appear in this picture headed the various committees that arranged for the G.A.A. mother-daughter dinner at Lincoln-Way high school May 8. They are (left to right), Donna Heinecke, Beverly Mundt, Linda Powers, Carol Werner, Willa Schroeder and Barbara Niemann, all sophomores.

G.A.A. pins and awards were presented at the banquet. Senior girls who received their first awards were Louise Summers, Sharon Noede, Sandy McCoy, Kay Delaney, Donna Platt, Jo Ann Hacht, Claudia Thomas, Donna Ullrich, Sharon Hutchins, Ruth Heimendinger and Karen Brockman; juniors, Marna Harnack, Julie Lesniwicz, Sandy Maurer, Judy Feil, Janet Feil, Dorothy Bean, Sue Bogaghtus Janet Bauch and Jo Wennlund sophomores, Shirley Wahl, Willa Schroeder, Beverly Mundt, Barbara Niemann, Linda Powers, Beth Rose, Shirley Weber, Lynn Heptig, Carol Werner, Darlene Rovenhagen, Karen Gillette, Barbara Matteson and Christ Barnes.

Girls who received their second awards were, Marilyn Cooper, Karen Brockman, Claudia Thomas, Marilyn Boleman, Jackie McGinnis, Gailyn McCoy, Joan Teague, Doris Yunker, Judy Elen, Jo Wennlund and Marna Harnack.

Officers who will serve the G.A.A. next year are, Marna Harnack, president; Gailyn McCoy, vice president; Willa Schroeder, secretary and Pat Boleman, treasurer.

M-m-m, Boy! Pancakes!

And it should be added that the cakes served by the Mokena Lions club May 12 as its main fund raising project of the year, were tasty indeed. Aunt Jermima, who has cooked enough pancakes that if stacked would reach from here to the moon—well, pretty close to the moon—say a stack 100,000 miles high?—a thousand miles?—well, a couple of blocks high anyway—poured out the first cakes and then became a supervisor. Lyman Teague, complete with chef's cap, apron and a pancake flipper took over right after Aunt Jermima moved out of camera range and later on he was joined by other cooks. Besides wheat cakes the Lions served bacon and sausage on an a la carte basis. The project was successful from a public relations standpoint as well as financially. The Mokena Lions plan to make pancake day an annual affair. The gentleman seen back under the tent looking over Teague's shoulder, is William Lowe, of Orland Park, who was manning the coffee pots at the time this picture was taken. (Bulletin photo)

ers home, also on Parker ave., where they will move as soon as vacated. The Powers will move to Palos Park.
Mr. and Mrs. Floyd Williams have purchased the Gordon Bruce home on Front St. The Bruces are building a new home on the eastside of this house.
Mr. and Mrs. Orvall Hulbert and family of Matteson have rented the Christie Sippel apartment on Front street.
John Schaub who was a patient in St. James hospital in Chicago Heights for six weeks returned home May 15. Altho he is feeling much better he will be confined to his bed for three more months.
Roy Erdman entered St. Joseph's hospital Monday where he will undergo surgery for stomach ulcers today.
Mr. and Mrs. Andrew Cappel entertained their pinocchle club in their home Saturday evening.
Miss Elizabeth Rinke has been on the sick list.
Mrs. Anna Cleveland of Clear Water, Fla., called on Mokena friends Friday. She will visit in the area for several weeks making her headquarters in the Louis Joliet hotel, in Joliet.

Business and Finance

by Maurice P. Angland
McGraw-Hill Publishing Co. has just published the results of its ninth annual survey of business plans for new plants and equipment, for the next three years.

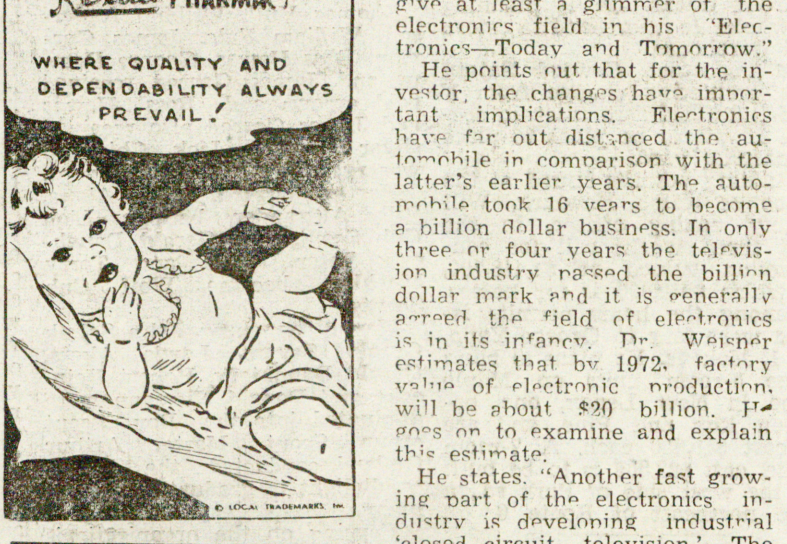

NEW LENOX
Detours Anderson
Phone 3651

During the business session the group decided to increase its church building fund pledge to \$400.00. A membership committee appointed includes Mr. Whitaker, Betty Martin and Mrs. Torrog. A polluck supper is planned for the June 22 meeting at the home of Ronald and JoAnne Crisman in Lincolnwood Hills. Mrs. Crisman and Patricia Johnson will be in charge of transportation. English drama of the 16th and 17th centuries was discussed by Mrs. Crisman for the program. Mrs. Torrog was hostess.

A meeting to plan the general structure of St. Jude's annual picnic was held in the church hall last Tuesday evening. As in the past, the first Sunday of August was again set as the date. A carnival under tents, games and chicken dinner were also voted upon. Fr. Denis Hall, pastor, is the general chairman. Those attending the meeting were: Mrs. E. Merfield, Mrs. I. Archibald, Mrs. E. Dickman, James Staley, Max Greenley, Al Huttenhoff, Jack Tarrant, Ray Emiley, Frank Romeo and Ted Zusag.

The children of St. Jude's will have their annual school picnic

The meaningful emblem of Body by Fisher

When you see "sterling" on silver you know what it means—solid silver, all the way through.
And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the visible, gleaming surface.
Only one who has owned a Chevrolet for several years can fully know the satisfaction this emblem pledges. For only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

Mrs. Walter Eichelberger of Tinley To Head South Suburban Flower Show at Chicago Heights June 1-2

The Third Annual South Suburban flower show, featuring "Town and Country" will be presented at Jones Memorial Community Center Bldg., 220 E. 15th street, Chicago Heights, June 1 and 2, hours 2 to 10 p.m. Sponsoring organizations are garden clubs and the Garden departments of Women's clubs of Chicago Heights, Flossmoor, Homewood, Harvey, Lansing, New Lenox, Park Forest and Tinley Park.

The entire proceeds will be turned over to the Community Center to further the splendid job they are doing among the youth in the area.

Mrs. Walter Eichelberger of Tinley Park is the general chairman of flowerama.

Home Unit Tea Tomorrow for New Members

The executive board of Home Bureau met in regular session Tuesday, May 15 in the home of Mrs. Gailen Holloway, 145th st., Forest Hills, Lockport.

Mrs. Edward Berens conducted the business meeting with the following members present: Madames Dennis Ryan, Wilbur Lauffer, Harold Scheer, Harry Eaton, Earl Lockwood, Richard Erickson, Gailen Holloway, Miss Hazel Cowell, Mrs. Ruth Mozzi, home advisor and Mrs. Betty Shinn, assistant home advisor.

Mrs. Earl Lockwood reported on the program planning meeting with Miss Kaiser of the University of Illinois and all unit program chairmen. Also there was a discussion regarding the meeting place for the annual meeting in September.

Mrs. Erickson reported that Miss Mary Chambers, new dairy council director will be the main speaker at the new membership tea to be held tomorrow, Friday May 25 in the Willow Avenue Presbyterian church, Joliet at 1:30 p.m. Miss Chambers was an international farm youth exchange to Norway last year and will tell of her experiences and show slides of that country. Members who have joined Home Bureau since last May will be especially honored.

Mrs. Scheer reported plans are underway for the summer tour to Springfield and New Salem state park, Aug. 24-25.

Homemaker's camp at Camp Shaw-wa-na-see will be in session June 13 to 16. Registrations are now being taken at the home bureau office in Joliet. Homemaker's camp is not restricted to Home Bureau members, but to any one interested in a restful three and one day of hand craft, relaxation and fun.

Following adjournment, Mrs. Holloway served luncheon. The next board meeting will be June 11 at 9:00 a.m. when Mrs. Harry Eaton has invited the board to breakfast preceding the business session in her home.

Tinley Garden Club Celebrates Presidents' Day

The Tinley Park Garden club celebrated its fourth past President's day last Thursday, May 17. They visited Lilacia Park at Lombard, a seven-acre tract in which are planted 1200 French lilac bushes, 50,000 tulips and 8,000 pansy plants. It presented a beautiful picture.

After lunching at the Golden Pheasant cafe they visited Haeger's pottery plant at Dundee. They found that a tour of the factory was quite interesting.

Mrs. John Johann was the chairman of the affair, and presented each one with a lovely corsage. They also were privileged to view John Klepper's Gloria Lilies, and tulips, before leaving on their trip.

Wedding Flowers

Our assistance is cheerfully given in arranging for wedding flowers from the simplest corsages to the most elaborate decorations.

Rodgers-Whitte Nuptials Set for Early Next Month

Mr. and Mrs. Henry Rodgers, East Seventh St., Homer Township, are announcing the approaching marriage of their daughter, Rita Ruth, to John Richard White, son of Mrs. Elizabeth White, 353 Western ave., Joliet.

The wedding will take place Saturday evening, June 9 at 8 o'clock in the Homer church, with the Rev. Philip Muth, pastor officiating.

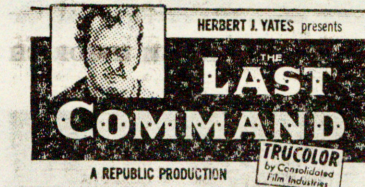

Some invitations have been issued, but all relatives and friends are invited to attend the ceremony, and also the reception which will follow immediately in the social rooms of the church.

Miss Rodgers is a graduate of Lockport Township high school and has attended Joliet Junior college. Mr. White is a graduate of JTHS and has served four years in the U. S. Navy. He is now studying metallurgy at Joliet Jr. college.

Tinley Woman's Club Sends Two Delegates to State Convention

Mrs. Lewis Shawver, president of the Tinley Park Woman's club and Mrs. Voris Miller were delegates to the 61st annual convention of the Illinois Federation of Women's clubs in the Hotel Sherman on May 8, 9 and 10. On May 8, Mrs. Miller, who is press chairman of the Third District, was in charge of the press room, assisted by Mrs. Lewis Shawver, Mrs. Richard Freund, Mrs. Irwin Johnson and Mrs. Elmer Knudsen of the Tinley Park club.

Volunteer orientation classes at Mankeno State hospital on Monday, May 14, were attended by Mrs. Lewis Shawver, Mrs. Voris Miller, Mrs. Walter Eichelberg, Mrs. Richard Freund, Mrs. Noel Gibbons and Mrs. Ray Hill. Talks were given by Dr. R. J. Graff, Superintendent, and Mrs. Leota Dowell, R. N., who gave the facts and figures of the hospital city. Mrs. Mary McGinnis, medical records librarian, spoke on the importance of medical records and Mr. Joseph Gruber, staff psychologist, illustrated the role of a psychologist in a mental hospital by means of tape recordings.

Woman's Club at Orland Park Winds Up Activities for Season

The Orland Park Woman's club concluded their activities for this season with a luncheon May 16 held in the Southmoor Country club. There were 70 members and guests present. The tables were decorated with bouquets of yellow tulips, white narcissus, apple blossoms and white mums. Green and yellow mints in green and white paper cups were favors. Mrs. Fred Blackstone, Mrs. Frank Buck, Mrs. Clara Vondersmith and Mrs. Sherman Knox were on the committee in charge of decorations.

Grace was given by Mrs. H. Adele Cooper, past president and Present Mable Ekberg introduced guests from the district. They were: Mrs. Lucius Patton, state chairman, press and publicity; Mrs. Edward Hoyer, Palos Park, district legislation chairman; Mrs. Wesley Lindquist, Chicago, past district president; Mrs. Frank Wicks, Chicago, district first vice president; Mrs. Ina Turley, Chicago, program chairman of the district; Mrs. Anna Vojtech, director of occupational therapy and Miss Alice Gailey of the OT shop at Oak Forest.

Also Mrs. Franklin Loebe, of the Orland Park Junior Woman's club; Mrs. Clarence Manos, Laguna Woods; Mrs. Robert Plaw and Mrs. William Fisher, Jr., Orland Park; Miss Marie Vasale and Martha Jankean, Cinderella shop, Palos Heights; and Mrs. H. Adele Cooper, American citizenship chairman of the club.

A fashion show was presented with Miss Augusta Peterson, Mrs. John Barton, Mrs. Orville Schmaedeke, Mrs. George Durst, Mrs. William Burkhardt, Mrs. George Gee, Mrs. Karl Ekberg and Karen Anderson, as models. Mrs. Franklin Loebe was narrator.

Shirley Ann Tarrant and Robert Emperor Plan June Wedding

Mr. and Mrs. John Tarrant of New Lenox announce the engagement and approaching marriage of their daughter, Shirley Ann to Robert Emperor, son of Mr. and Mrs. Wilbur Emperor of Frankfort.

The wedding will take place Saturday morning June 9 at 10 o'clock in St. Jude's Catholic church at New Lenox, with the Rev. Denis Hall officiating.

Invitations have been issued for the wedding, but all friends and relatives are invited to attend the wedding and the reception which will be held in the Lions den at New Lenox that evening from 7 to 10 o'clock.

Lt. G. F. Folkers Of Frankfort, to Wed Eastern Girl

Mr. and Mrs. Robert F. Kendall, 4 Berkeley Place, Rabun, Fair Lawn, N. J., announce the engagement of their daughter Jean Dorothy, to George Fulton Folkers, 1st Lieutenant, United States Army, son of Mr. and Mrs. Herbert P. Folkers, 137 Kansas st. Frankfort. Miss Kendall attended Beaver College, Jenkintown, Pa. and graduated from Columbia university, New York City.

Lt. Folkers is a graduate of Knox college, Galesburg; had a Joliet township high school, teaching fellowship in German at Rice Institute, Houston, Tex., while working on his masters degree and scholarships at the University of Basel in Switzerland, where he spent one year working on his PH.D. He is currently on active duty with the United States Army in Germany. A summer wedding is planned.

Bremen Home Group Will Meet Tonight

Bremen Home Bureau will meet tonight, May 24 with Mrs. James Rizzuti, 167th street at 7:30 pm. The lesson will be given by Mrs. Robert Nelson and Mrs. Stanley Sterkowitz. The group will sponsor a program May 31 at 8 pm. in the Farm Bureau hall to be known as "A Night of Color Harmony" presented by the Walker Paint and Wallpaper Center of Tinley Park. All women are invited.

Johnnie Weissmuller at one time held every free-style swimming record.

Future Teachers

On Saturday, May 5, members of the F.T.A. and two teachers attended Open House held at the University of Chicago. R. Wendell Harrison opened the meeting and extended a welcome from the University. From two until four o'clock group sessions were held on: Educating the maladjusted child, "What qualities for a good teacher. How our personalities affects our learning. Learning to read - Confusabet. Teaching science from everyday experiences. Help for poor readers. Mathematics made interesting. Intensive training for student teachers. Which state has the smartest high school students.

All who attended found it to be very profitable and worthwhile for future teachers. Those who attended were Carole Gilmore, Pat Wilson, Ted Dunham, Tom Dunham, Mrs. Della Hussey and Miss Eunice Harra.

On Monday, May 14 several members of the Abe Lincoln chapter spent a day on the campus of Illinois State Normal University at Bloomington, seeing life on a college campus at first hand. They were welcomed there by some of the University F.T.A. members including two girls who had been practice teachers at Lincoln-Way earlier in the year. A short welcome, history and explanation of policy preceded the tour.

The first stop was the Milner Library, found to be quite large in contrast with our high school

library. The huge card catalog especially made quite an impression. They had lunch at Fell Hall cafeteria where they were joined by several other members of the college F.T.A.

Following lunch they were taken through a newly-built freshman dormitory for girls. Going through the building the girls learned a great deal about living in a dorm and the rules that apply to those living there.

Later the group visited the Special Education Building which holds classes for grades 1 through 8 for the mentally retarded, blind, deaf, those afflicted with cerebral palsy and polio.

The rest of the afternoon was left to the students to go to the departments which especially interested them. (At least one group ended up in the ten cent stores of Bloomington).

Band-Chorus Concert

The Lincoln-Way band and choruses presented their annual joint spring concert on May 11. The band opened the program with "Hall of Fame March" by Olivadoti. Themes from "Caucasian Sketches" by Ippolitov-Ivanov preceded "Trumpeter's Lullaby" by Leroy Anderson. This number featured Ted Hurst, the cornet section leader and one of the six graduating seniors. Bill McCormick, student director, took over the podium to direct "Bethshelah" by Singer. Diane Batson, senior, accompanied by Larry Cullison, soloed on her oboe. The selection was "Elegy." Larry, also a senior, then directed "Main Street, U. S. A." by Morrissey. Larry serves as secretary and student director while Diane is vice president.

The choral portion of the program included "The Star" by Rodgers and "Music, When Soft Voices Die," by Kramer offered by the choir. The Boys Glee club sang the spiritual "Deep River." The Girls Ensemble, which is composed of Carol Larson, Yvonne Piepenbrink, Sheila Bennett, Joyce Klinger, Bonnie Slick, Sue Eriksen, and Ray-

dene Cook selected "May Day Carol" as their number. The Freshman Girls' Chorus singing "Song of the Gypsy" by Roelck and "Jacob's Ladder" by Wilson were followed by the Mixed Ensemble, John Fish, Larry Cullison, Dave Eriksen, Wendell Anderson, Carol Larson, June Oram, Willa Schroeder, Sue Eriksen, which sang "The Music Makers" by Shelley and "I Heard a Forest Praying" by De Rose. The choir finished the choral part of the program with "I Whistle a Happy Tune" and "It's a Grand Night for Singing" by Rodgers and "The Lord Is My Light" by Allitsen. Barbara Sayers and Carole Gilmore handled the accompanists' duties.

Rudy Guzik, a graduating senior, began the second part of the program by playing his own composition for piano, "Lincoln Etude." James Cooper, band president and also a graduate, directed "March Forth" followed by Paul Schuh, a senior, playing "Concertino," a flute solo for which he received a superior rating in contest. "Badinage for Brasses" by Walters featured the trombone, baritone and cornet sections of the band. Eighth graders of the school district were invited to play a selection with the band. About twenty-five students joined the band in "Avalon Nights" by Olivadoti. "The Stars and Stripes Forever" by Sousa climaxed the band's portion of the program when the 7 cornets, 5 trombones and a piccolo player marched out in front of the band.

The chorus and band joined together for the final selection, "Born to Be Free," by Williams. Mrs. Tryon introduced the seniors who are graduating. They are Janet Korsgaard, Bonnie Slick, Carol Larson, Yvonne Piepenbrink, Barbara Sayers, Diane Ulrich, Al Rasquissen, Mark Schellenberg, and John Fish. Mr. Taylor concluded the program by re-introducing his graduating seniors, Diane Batson, Paul Schuh, Ted Hurst, Larry Cullison, James Cooper, and Rudy Guzik.

Student Council

The staff of the Reporter, the state-wide Student Council newspaper, has been chosen. Ron Knakmuhs, editor, has announced. There will be three issues scheduled to appear in December, March and May. Associate editors are to be Bev Jones and Denny Wheeler. It was mistakenly reported last week that Bev Lauffer would serve in this capacity. Other members of the staff are: From the Senior class, Virgil Hammond, Janet Feil,

Andree Ledebuhr and Donna Rae Meyer. From the Juniors, Sheila Bennett, Don Lehmann, Larry Phifer; from the Sophomore class, Donna Anderson, Jean Ann Meyer, and Sandy Swinford. There is a possibility that one or two of the incoming freshmen will also be included next fall.

The staff was chosen on the basis of dependability, willingness to work, time available, and experience.

Band Elects Officers

After nominating officers on Monday, May 14, the band filled out their ballots on the following Wednesday. Virgil Hammond was elected to serve as president for the school year '56-57. The vice president is Jim Stauffenberg. Under a recent amendment to the constitution, the vice president has been charged with the official duty of taking care of the band uniforms. Judy Christensen as secretary will act as historian and keep records on the newly adopted point system in addition to other secretarial duties. The treasurer will be Larry Phifer. The newly created office of reporter will be filled by Jeanette Sievert. This reporter will write news articles for the papers and be in charge of publicity. All these will comprise an executive committee which will appoint the band's librarians, the two other officers.

Band Adopt Point System

At a recent meeting of the band, the members adopted a point system to be used in determining who will receive band letters. The band letters will be awarded by the Band Booster's Association.

The awards will be given on

the basis of an accumulation of points. The points are awarded for playing solos and in ensembles, rehearsals, private practice, sales, attending other concerts, helping other students etc. The letters will be awarded at the close of the school year.

Arion Award

On Wednesday, May 16 the members of the band cast their ballots for the Arion Award. This award will be presented on Senior Class Night to the outstanding senior band member. The medal is awarded on the basis of scholastic standing, musicianship, music perform-

ances, attendance, ambition, diligence, inspiration to others, personal habits, qualities to carry on the best traditions of the school, and cooperation over and above normal duties.

The ballots were counted by the underclass officers but the results will not be known until Senior Class Night.

Conference Music Festival

Robert Taylor, general chairman of the Conference Music Festival, which was held here on April 20th, has just announced a financial report. Money from advanced ticket sales is still being turned in but Mr. Taylor says that the profit will be about \$55. This will be put into the conference fund which finances other conference activities.

Home Ec Play School

The girls in the home economics department acted as baby sitters last week, May 14-17. About 30 children between the ages of three and six years attended a play school. This project is part of the child development unit in the Home Economics course. The children were invited by the class members and represented all the four towns. The purpose of this play school is to give the girls an opportunity to observe the play activities of children and to help them in safe play. The daily schedule includes the following:

- 8:20-8:30 Registration, Free play
- 8:30-8:35 Roll Call
- 8:40-8:50 Coloring
- 8:55-9:00 Sit at Table
- 9:00-9:10 Outdoor Play
- 9:10-9:15 To Bathroom
- 9:15-9:30 Modeling Clay
- 9:30-9:50 Free Play
- 9:50-10:10 Recordings, Action Songs
- 10:10-10:40 Free Play, Story Telling
- 10:40-11:00 Outdoor Play
- 11:00-11:20 Wash Hands, Lunch

Some of the things that happened during the four days were really amusing. For instance, how many children are as curious as Guy Keeley who managed to find a key to the file cabinet without much difficulty. Within a few short minutes he could open and lock it better than any high school student. Besides, he did not want to give up the key. You should see Allison Wright's eyes light up when lunchtime was mentioned. And whoever said Keith Kinney was a terror? Why, he's as mild as a mouse. Who would suspect that Teddy Aseltine was a born leader? Roseann Kruzich

can sing "Farmer in the Dell" as well as anyone, even when she hasn't slept well. By the second day, Jeff Dieken lost that forlorn look when his father left the room. And the twin boys, Tom and Jon Johnson, are almost as confusing as the twins in high school.

Senior Band Members

This is the third and final article on graduating members of the Lincoln-Way band. The past two weeks have featured Dian Batson, Jim Cooper, Larry Cullison, and Ted Hurst. This week Rudy Guzik and Paul Schuh conclude the series.

RUDY GUZIK. The band's bassoonist is sixteen years old. Rudy Guzik. Rudy also plays the piano, accordion, saxophone, cornet, tuba and drums. His musical activities include playing piano in a combo, instructing twenty piano pupils, taking lessons in composition and playing in the Park Forest Symphony Orchestra. Rudy is now writing a duet for oboe and bassoon and a piano etude.

In contest work while at L-W Rudy has won five state medals and two red medals. Last year he rated superior or Division I ratings at both the District and State contests on his piano and bassoon solos. This year Rudy scored a superior at the District for his bassoon solo and an excellent or Division I rating on his piano solo. At State contest he won a second red medal when he received a Division II rating on his bassoon solo.

Before attending Lincoln-Way, the band at Bloom Township High School benefited from his bassoon and percussion talents while the orchestra also used his bassoon talents. Rudy has been studying on a college preparatory course. Next year he will enter Illinois Institute of Technology, Chicago, to study engineering or physics.

He serves as secretary of the Math Club, and is a member of the Phi-Chem Association, Radio Club, Footlighters and the National Honor Society. Rudy rated among the top 300 in Westinghouse National Science Talent Search.

PAUL SCHUH. Paul Schuh plays the flute and piccolo in addition to playing saxophone and clarinet in a combo. Paul serves as the section leader of a flute, an oboe, a bassoon, a the woodwinds which includes cello and bass clarinets. Last year Paul assisted the band at contest time but was not a regular member until this year. This year he received a Division I rating in the District and State contests on his flute solo.

Red Cross to Elect Officers

The 41st annual meeting of the Chicago chapter, American Red Cross, will be held at noon today in the grand ballroom of the Palmer House, it is announced by Mrs. Sherman Knox, Orland Park, a Red Cross public information representative.

This year's meeting will highlight the local observance of the 75th anniversary week of the American Red Cross, founded by Clara Barton on May 21, 1881, said Mrs. Knox.

In addition to the annual election of chapter officers and directors, and delegates to the 1956 national Red Cross convention to be held in St. Louis, next month, there will be also reports on the chapter's activities and on the financial condition during the past fiscal year.

Any adult who has contributed \$1 or more to the Red Cross during the past year, is considered a member; may attend the meeting, and vote for the chapter's officers, Mrs. Knox explained.

Last year 80,000 Americans died of cancer because proper treatment was begun too late. A regular health examination is the best cancer insurance, says the American Cancer Society.

Clara Barton Visits the Wounded

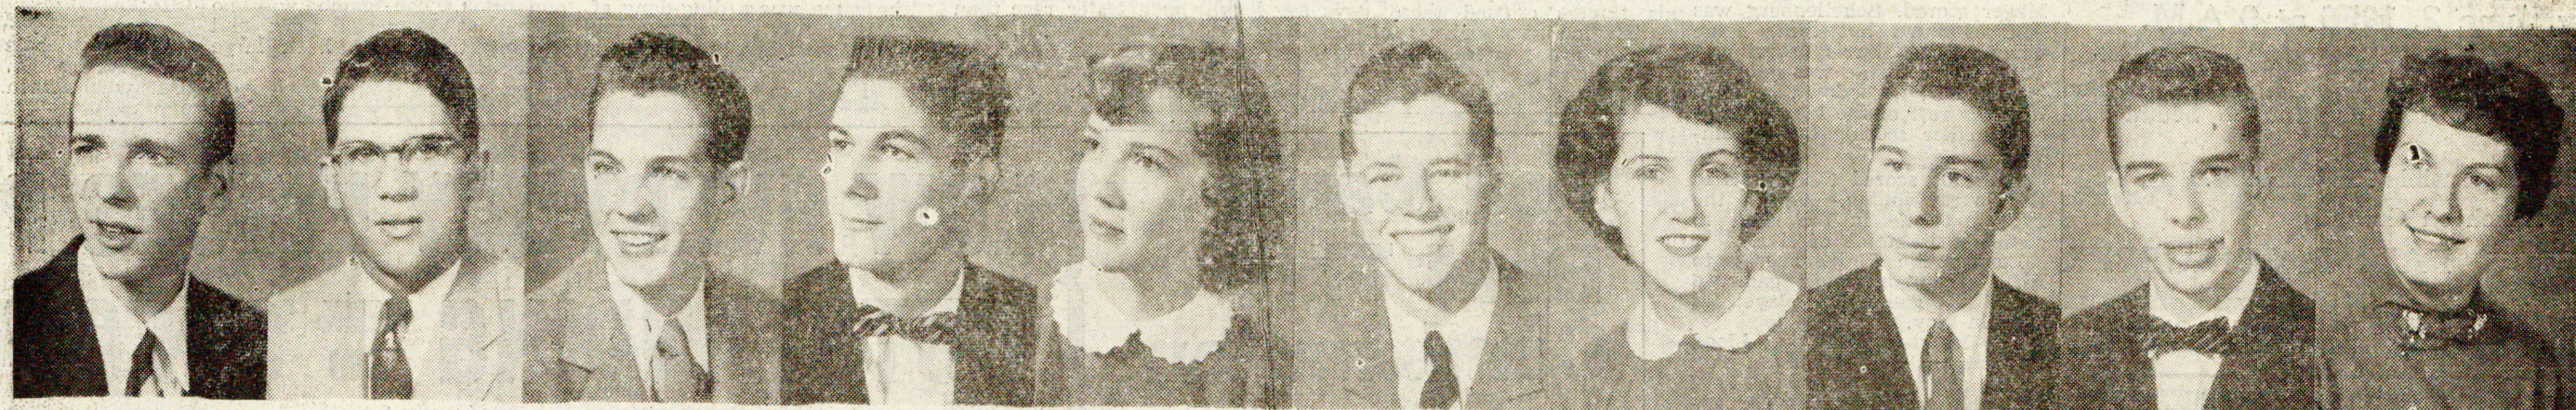

IN THIS PAINTING, Clara Barton is shown (second from left) watching Red Cross nurses at work in a hospital in Cuba during the Spanish-American War. Miss Barton, who founded the Red Cross 75 years ago, headed the contingent of Red Cross workers during this first wartime operation by the organization. The Red Cross distributed supplies and provided medical and nursing care for the sick and wounded.

Knights Lose to Thornton, 5-2;
Drop Game to Rich Nine, 6-3

By Fred Kieslar

Lincoln-Way's baseball team
lost to Thornton of Harvey 5
to 2 in the high school district
baseball tournament played at
Joliet last week.

The Knights got off to a good
start in the first inning, scoring
two runs but were unable to
add any more during the re-
mainder of the game.

Allan Mager, first man up
for Lincoln-Way walked and
advanced to second on a single
by Mark Schellenberg. The next
man up, Ron Hughes sent a hop-
per into the third base territory
where it was juggled for an error,
and everyone was safe.

With the bases filled and no
outs, Ron Studnick singled and
Mager scored. Schellenberg was
held at third but came home
when Bill Harris sacrificed. Then
Behm, who was pitching for
Harvey, bore down and got
thru the rest of the inning with-
out further scoring by Lincoln-
Way.

Thornton scored three runs in
the fourth inning, one in the
fifth and one in the sixth to
complete its total of five.

Earlier the Knights lost to
Rich in a conference game, 6
to 3. The game was played at
Lincoln-Way.

The Knights drew first blood
in that tilt too, scoring a run
in the second inning when Paul
Landahl, who had singled, ad-
vanced to third on two wild
pitches and then came in on a
single by Bill Heidrich.

Lincoln-Way was unable to
score again until the seventh
and last inning, when Heidrich
hit a homer with Landahl
aboard. It was the first homer
hit by a Lincoln-Way player
this year. In the meantime Rich
had scored six runs, counting
two in the third, one each in
the four, fifth and sixth, and
two in the seventh.

Mokena Baseball
Group Names
Staff, Coaches

The Mokena Baseball associa-
tion held its second meeting of
the year on May 19 at the grade
school. Quite a number of in-
terested persons turned out for
this meeting.

The election of officers was the
first thing on the agenda with
the re-election of the follow-
ing persons: president, Alvin
Sorenson; vice president,
Henry Clark; secretary, Laverne
Yunker; and treasurer, Edith
Creer.

The coaches for the following
year were named as follows:
Small Fry - Jim Wrath and
Bob Hohenstein

Babe Ruth - Garry Fee
Farm Team - Wendell Hamil-
ton

Both the Babe Ruth league
assistant coaches which will be
and the Farm team will have
named at a later date.

Fred Kieslar will be the pub-
licity chairman and the Babe
Ruth reporter and scorer thru-
out the coming year.

On May 27 both teams will
play in a double-header at Or-
land Park to open the season.
On June 3 both Orland Park
teams will be in Mokena to
play a double-header to open
our season. Details on these
games will be released later.

A few of the boys have yet to
register and turn in the entrance
fee. The association would ap-
preciate it very much if this

could be done as soon as possi-
ble.

Members of all three teams
are to be covered by insurance
from the W. A. Muehler agency.

Bettenhausen
To Start Race
In Second Row

Tony Bettenhausen, of Tinley
Park, who finished second in
the Indianapolis Speedway 500-
mile classic last year is keeping
his fingers crossed these days
as the top race drivers of the
country are now qualifying for
the Memorial day event and be-
tween times are working on

their cars to get that extra
ounce of energy.

In tune-ups before the quali-
fying rounds started Tony had
the fastest one-lap, 145 miles an
hour plus but predicted that
someone would do better than
146 m.p.h. in the qualifying
trials. He was right. Tony him-
self didn't do it but Pat Flaherty
30-year-old tavern owner from
Chicago's north side won the
pole position with a lap mark
of 146.056. Flaherty, who is six
feet tall and weighs 160
pounds, won a \$500 cash award
for excellent driving among 17
who qualified on the first day of the
time trials.

Tony was one of the 17. He
will start in the second row. He
had an average of 144.602 in the
10-mile test. Flaherty's average
was 145.596 m.p.h.

There will be 33 cars in the
race when it starts Memorial
Day morning. And the drivers
say it will be a faster race than
those held previously—not, they
say, because of improvements to
the cars but because the track
has been resurfaced.

Tigers to Play First
Home Tilt This Sunday;
Won Opener 10 to 9

A bases-full triple in the
ninth inning by Dean Taylor,
Tinley Tigers' catcher, gave the
Sportsmen's club team a 10-9
win over a stubborn Riverdale
club Sunday.

Taylor and two of his team-
mates, Ron Harnack and Les
Beue came up with two hits
each.

Spike Cleator, who started on
the mound for the Tigers was
relieved in the fourth by Ron
Schaper, who finished the game.

The game was a ding-dong af-
fair from start to finish with
the lead changing hands several
times, but the Tigers apparently
wanted Moose Nasebandt to

have a successful debut as man-
ager of the club and so kept
banging away until victory was
achieved.

The Tigers will travel to Joliet
Saturday, May 26 to play
the prison team. The prison
teams are always tough and
the one this year will be look-
ing for revenge for last season's
trouncing by the Tigers.

On Sunday the Tinley team
will play its first home game of
the year. Flossmoor is to be the
opposition. The game will be
played at Memorial park and
starting time is 2:30. A large
crowd is expected.

TV Stars to Attend Car Racing Show at Soldier Field

A parade of stars of TV and radio will be seen at Soldier Field Saturday, June 2, at 8 p.m. in honor of the 11th annual Chicago Park District police benefit gold trophy stock car races.

Many civic leaders, including Mayor Daley, will attend this night of racing, which for the past four years has drawn the biggest racing crowd outside of the Indianapolis classic. Advance sales indicate an attendance upwards of 60,000. Tickets may still be obtained at the box office at Soldier Field the night of the race. No seats are reserved.

All monies derived from this night of racing goes to the Widows and Orphans fund of the Chicago Park District Police, it was announced.

L-W Takes Triangular Meet Piles Up Score of 69 Over Sandburg, Reavis; Bruns Double Winner

By Don Lehmann

Lincoln-Way's varsity track squad gained its first victory of the season, Wednesday, in a triangular meet held at Reavis. Sandburg, with 54 points, trailed the Knights' 69. The host school had only 21 1/2 points.

The only double winner for the red and black was Stan Bruns, who took the 100 yard dash in :10.8 seconds and the 220 yard dash in :24 seconds. Bill Noble was a close second in both events.

In the 440 yard dash, Bob Hermanson and Fred Madsen were one-two.

Tom Rowsell ran an inspired leg in the mile relay as the boys finished sixty yards ahead of Sandburg in a time of 3:53.2. Madsen, Herman, and Herb Folkers also ran well in that relay.

The Knights scored well in the field events also. Mark Schellenberg took first in the broad jump, by virtue of his 18' 11" jump, and then picked up a second in the high jump. Paul Padzuikas won a first in the discus, a third in the broad jump, and a fourth in the high jump.

For Sandburg, the only double winner was Don Gee, who won the 120 yard high hurdles and the shot put. Terry Ogden of Sandburg won the 180 low hurdles, took second in the shot put, and took third in the 100 yard dash. In the pole vault, Warren Semetis was the victor with a ten foot vault. He was followed by Terry Barnes of Lincoln-Way, who was competing in his first meet.

In the frosh-soph meet, Reavis piled up 56 1/2 points to beat out Lincoln-Way's 42 points and Sandburg's 33 1/2 points. The only double winner of the meet was Rich DeForest who won the 100 and the 200 by good margins.

In the first exciting race of

both meets, Jim Stauffenberg of Lincoln-Way suffered his first defeat of the season, losing by less than a stride to Mier of Reavis.

Jumping 5' 6" gave victory to Dave McGuire in the high jump.

The big boys of the frosh-soph, Cliff Mann and Lee Gear, finished first and second in the shot put for the little Knights.

Sandburg's only winners were Johansen in the broad jump and Voss in the discus.

Varsity Summary—won by Gee (S), Korggaard (L) and Time: :19.2.

Wittenkeller (R) tied for 2nd. 100 yard dash—Won by Bruns (L); Noble, 2nd; Ogden (S), 3rd; Mayer (R), 4th. Time :10.8.

Mile—Won by Dunn (R); Zinn (S), 2nd; Mark (L), 3rd; Rowsell (L) 4th. Time 4:55.2.

1/2-Mile relay—Won by L-W (Korggaard, Folkers, Noble, Bruns); Sandburg, 2nd. Time: 1:39.3.

180 yard low hurdles—Won by Ogden (S); Messina (S), 2nd; Korggaard (L), 3rd. Time: :23.1.

880 yard run—Won by Zinn (S); Rowsell (L), 2nd; Mark (L), 3rd; Mazurk (R), 4th. Time: 2:15.8.

220 yard dash—Won by Bruns (L); Noble (L), 2nd; Moore (S), 3rd; McQueary (R), 4th. Time: :24.

Mile relay—Won by Lincoln-Way (Madsen, Rowsell, Folkers, Herman); Sandburg, 2nd. Time: 3:53.2.

Pole Vault—Won by Semetis (S); Barnes (L), 2nd; Pfersdorf (S), 3rd; Sparacio (R), 4th. Heights, 10 feet.

Broad jump—Won by Schellenberg (L); McQueary (R), 2nd; Padzuikas (L), 3rd; Mayer (R) 4th. Distance, 18 feet 11 inches.

High jump—Won by Wittenkeller (R); Schellenberg (L) and Hill (S), 2nd; Padzuikas (L) and Korggaard (L), 4th. Height, 5 feet 7 inches.

Shot-put—Won by Gee (S); Ogden (S), 2nd; Folkers (L), 3rd; Mayer (R) 4th. Distance, 45 feet 9 inches.

Discus—Won by Padzuikas (L); Folkers (L), 2nd; Wittenkeller (R), 3rd; Ogden (S), 4th.

Bloom Wins State Track Title Three New Records Established

Bloom high school of Chicago Heights captured the state prep track title at Champaign-Urbana last Saturday with a total of 22 with 11 points. There were no points. Blue Island was fourth school from the Southwest Suburban conference represented.

This was Bloom's first state track title and it clinched the championship by winning the mile relay, last event on the program, in the record time of 3:22.1. The previous mark was 3:23.3 set by LaGrange in 1953. The meet Saturday saw three new records set and another tied.

Chuck Smith of Freeport set the first record of the day when he ran the 880 in 1:56.1. John Lattimore of Phillips, Chicago, turned in the record time of 4:38 in the quarter mile.

But the record that electrified the crowd and drew a standing ovation, was set by barrel-chested Jim Powers, of DeKalb in the mile. The youngster covered the distance in 4:20.7, erasing the old mark of 4:23.1 set by Warren Dreutzler, of LaGrange in 1947, and coming within

three-tenths of a second of national Intercollegiate record set in 1944 by Max Truex of Warsaw, Ind.

The state high school golf and tennis titles were also decided over the week end but there were no Southwest Suburban conference schools involved. Hinsdale won the tennis crown with New Trier second.

Bill Barnett, 16, of West Frankfort, topped the individual last in the 36-hole medal play event with rounds of 71-79-150. High winds made it difficult. Barnett's putter pulled him thru.

His 150 gave him a one-stroke win over Emil Esposito and Poo Kleteke, both of Chicago, who were tied with 151's. Esposito won the playoff for second place.

The team match was won by Arlington Heights with a 633 for the two rounds. Arlington was trailing Peoria Central by 17 strokes when the second round began. A 308 brought Arlington home free. Peoria Central placed second, 13 strokes behind with a 616. Joliet Catholic high had a total of 693 in the team match.

Braves Lose to Bloom, 3-1, in Title Contest

After defeating Joliet Catholic, Lockport, and Thornton, the Bremen high Braves were noated out 3-1 by Bloom at Collins field in Joliet Friday afternoon, May 18, for the district championship.

In the first inning Bremen had runners on second and third with one out only to have both men nailed at the plate.

George Stelmach was cut down trying to score on a pop fly dropped by the shortstop, and Jerry O'Neill was thrown out as he tried to cross the plate on Dale Hartwig's single to center.

Bloom scored its runs in the second and fifth innings off Jerry Miller, sophomore, who allowed three runs on six hits and a walk in seven innings.

With the bases loaded and two out in the last of the seventh, Stelmach grounded sharply to second to end the game.

George Washington left this country only once, for a trip to the West Indies.

Hold Workshop for Cheer Leaders at Carl Sandburg High

A cheer-leading workshop started at Carl Sandburg high school May 14. The purpose is to teach this art to junior and senior girls who may be interested.

The current cheer-leaders will act as instructors. The workshop will be one week long, with preliminary tryouts in front of the pep club on May 21. The final elimination will be on May 23, before a group of selected students, coaches, and teachers.

Tinley Grade Thinclads Win 3rd Place Prize

The Tinley Park grade school lightweight track team, class B entrants in the S.S.E.A.A. track meet in the Blue Island Community High school track meet were awarded a third place trophy. The team won two first, two second, and two fourth place awards.

Four schools were represented in the event which was held Friday, May 18.

The 300-yard relay was an easy win for Tinley sprinters Gilbert Burton, Bob Hansen, Tom Propp, and James Casey. James Casey came in second in the 50-yard dash, although he got off to a bad start when he slipped at the starting point.

Gilbert Burton was winner in the broad jump contest and Tom Propp won fourth place. Tom also won second place in the high jump event.

Vernon Sloan was fourth in the 100-yard dash.

Members of the heavyweight team class A entrants who won fourth place in the 440-yard relay were Frank Smutny, Gary Verway, John Ragdale, and Bob Dagenais.

Sandburg Nine Wins First Two Games in Tourney-Then POW!

After blanking two teams in the district baseball tournament at Carl Sandburg high school, the host nine fell in the finals and so it was that LaGrange went to the state series at Champaign where its best wasn't good enough.

LaGrange and Lemont drew byes in the district tourney at Sandburg. Sandburg met Hinsdale in the first game and shut them out, 6 to 0. Dave Anderson, the winning pitcher, accounted for three of the Eagles' runs by slamming a homer with two men on.

Brookfield took Argo 7 to 4 in the second game after a tough battle that lasted 11 innings. Seven-inning games are played in high school because most of them are played after school and there is not enough light for a nine inning contest until the school year is practically ended. In the Brookfield-Argo tilt the game stood at 3 and 3 at the end of seven frames.

In the third game Sandburg really let Lemont have it, 10 to 0. Ron Weingartner pitched for the Eagles and the catcher, Fred Fryziuk, hit the only home run in the game.

But in the finals Sandburg fell apart and LaGrange wound up to top of a 10 to 4 score. From the number of errors it could be said that the Eagles were a mite tense—they committed 12 bobs.

The Wooburys dog Missy died Thursday morning at the animal hospital. Sunday Mrs. Woodbury picked out her husband's birthday gift (a three hour ordeal and a hasty call home to Woodie to come to the Kennels and help her decide which of the pups it would be.) Lady is a 7 weeks old German Shepherd.

The Cub Scouts of den No. 1 and 3 attended the General Motors open house on the 16th. The boys were accompanied by Den Mother and their Scout Master, Mr. and Mrs. Yomans of Palos Highlands.

May 25th the Cubs are to be guests of pack 3784 at Seymour Whittier school gym for an Indoor program.

May 16th Miss Joan Franz of Stewart Ridge was a dinner guest of the Robert Andersons. Miss Franz and Mrs. Anderson have been friends since their grammar school days in Chicago. Sunday afternoon, in Laguna brought out many of our sportsmen Mr. Arnold, Anderson and Woodbury and Charles Harris were seen casting in the small pond. Mr. Nelson came out of his house with some encouragement and announced they were sampling some of the fish he and daughter Janine had caught in the Laguna. Janine caught nine fish over the weekend and Bruce Niebrugge caught one or two, also. Mr. Muller plans to build when his future wife returns from a visit to Bavaria to visit her parents.

THIS WEEK .. AT DIXON SPRINGS

(A round-up of the week's work, activities, and observations at the University of Illinois Dixon Spring Experiment Station near Robbs in southern Illinois, prepared by the Station's staff)

How big is a pellet of feed? In terms of sheep and cattle gains, it is very big. Seventy-four to 90 pounds of pellets are as big in the gains they produce as 100 pounds of meal. We have learned this much in trials with fattening rations over the past three years at the Dixon Springs Experiment Station.

In terms of bulk, pellets are small. These fed on the Station have been about as big around as a lead pencil. They do not crack, pop or snap. They have not been shot from guns. They are made by subjecting finely ground feed to steam and extreme pressure. The feed comes out through holes in the pelletizing machine as a dense, hard core. So far as we know, the feed does not change except in physical form. Yet these pellets pack a wallop.

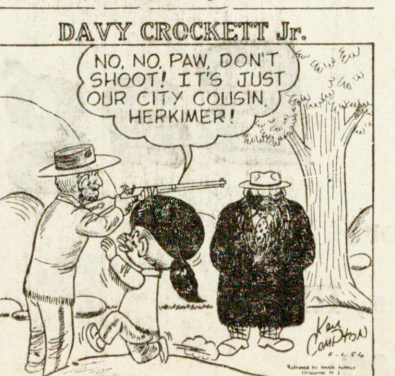

Pellets Save Feed
In fattening rations for lambs, pellets have given feed savings varying from 9 to 26 percent and have increased rates of gain by 8 to 55 percent. Fattening cattle gains were increased by 7 percent with a 14 percent saving in feed. Yearling steers self-fed on a complete pelleted ration gained an average of 2 3/4 pounds a day for 130 days. In all trials, four different fattening rations for lambs and form of meal. We knew pellets one for cattle, pellets were superior to the same feed in the were big, but we didn't know how big until this past winter when George Cmarik, cattle researcher, changed the style and fed only pelleted hay. Previously the cattle had been fed complete fattening rations including both concentrates and roughage.

Fifteen head of steer calves on pelleted hay alone made an average daily gain of 1.8 pounds. Only 900 pounds of pelleted hay were needed for each 100 lbs. of gain. Steers fed on the same hay both long and shopped, gained only 1/2 pound a head daily and ate nearly twice as much as the pellet-fed lot to make 100 pounds of gain. A pellet of hay proved to be extra-big!

Easier Eating
The most often-asked question is "Why?" if the feed is changed only in form. Digestibility does not seem to be a factor. Perhaps it is partly due to greater consumption. At any rate the greatest benefits for pelleting have been for lower quality rations. Cattle eat pellets with more relish than the feed in meal form.

A certain amount of feed is just to maintain life. Feed eaten above the point can be used for growth and fattening. Pellets eliminate dust and waste. They are easy and fast to eat and swallow. They need less time to fill the animal and perhaps a sheep or a steer is full before he knows it and just keeps on eating. But, regardless of the season, pellets do the job.

Lucky people building them or having them built, will boost the swimming pool business gross to an estimated record of \$325,000,000 this year.

LARGE FAMILIES DO BETTER THEN SMALL UNDER INHERITANCE TAX

The Illinois inheritance tax places a premium on large families, since each heir has a separate exemption—and the exemption is much larger for members of the family than for persons outside the family. The tax is paid on the amount left to each heir out of the net estate.

The net estate is obtained by taking gross assets and subtracting such items as funeral expenses, taxes, debts of the estate and probate administration expenses. Also, gifts to charities, churches, and educational organizations are exempt from the inheritance tax and can be deducted from net estate.

The gross estate includes all personal and real property, including lifetime gifts made within two years of death. The law presumes that such gifts were made in contemplation of death

and therefore should not escape the inheritance tax. Accidental deaths often overcome this presumption.

Life insurance proceeds are not included in the estate unless paid to the estate of the deceased. That is, if a member of the family or other person is the beneficiary, no tax applies to the insurance that is paid.

Only one-half of joint tenancy property is included in the estate. This is different from the federal tax rule, which includes all joint tenancy property in the estate unless the survivor can show a contribution to the purchase price.

Both the rates and the exemptions vary with the degree of relationship to the deceased person. Rates of tax start at 2 percent and reach 30 percent. Exemptions vary from \$20,000 to \$100.

EDITORIAL

The Lesson of Ribbon Creek

(Reprinted from The Christian Science Monitor)

The problem which has been agonizingly dramatized in Parris Island's Ribbon Creek is one so deep and so wide that it reaches into every home, every schoolroom, of the land. It has always been just as deep and wide. For it is this:

How to implant the hard virtues without stamping out the tender ones. How to instill loyalty, obedience, discipline, a sense of duty, fortitude, and resolution and at the same time preserve the equal values of compassion, affection, initiative, and individuality.

Every parent, every teacher—whether he will or no—faces this question daily. The difference between their task and that of the military commander is but one of emphasis. If it may be said that the trend of the times has carried modern parents too far in one direction, then it must be said that the continuing shadow of "the ordeal of battle," as Marine General Pate puts it, has kept the military oriented too single-mindedly, perhaps, toward the other.

For it is upon the hard virtues that military necessities make hard demands. And military (and naval) services of all nations stress them. Every nation has need of especially trained "elite" units which stress them even more. The prime Ameri-

can example is the Marine Corps. And the men in the ranks of that corps have been products of over half a century of the "Parris Island" system. But, says the Marines' Commandant with forthright frankness, "these men are products of a system which also produced the tragedy of Ribbon Creek." And he promises the American people to do something about it.

As to the mechanics of the system and its reorganization: Marine combat units are organized much as the Army's—officers in command of companies and most platoons, in continuing and direct contact with the men. But Marine trainees are organized into companies almost the size of battalions, with few officers and with all platoons under sergeants. General Pate promises that there will be greatly increased officer supervision.

This alone would require the premise that officers are, ipso

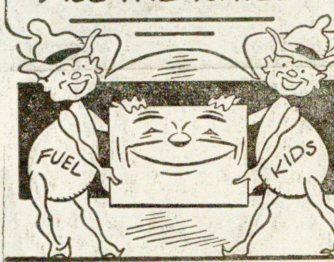

facto, more skillful and humane than sergeants—a shaky assumption. The core of the trouble has been that all instruction and, in effect, most discipline have been left to the drill sergeants. Supervision from the officer level above and appeals from the recruit level below have tended to stop at a chasm which yawns between the experienced and well-instructed corps of noncoms and the commissioned officers. The latter are largely submerged in administrative duties.

The drill instructors of today, no doubt, are less experienced than those of "the old Marine Corps." As to that General Pate is correct. But we doubt seriously that the system is any less vulnerable to petty tyranny and brutality than before World War I and during the 20 years after, when there were no "citizen marines" and the public didn't care.

All of which leads back to the essential problem. This the Marine Corps must solve, no matter how much the drill instructors are supervised by officers; less drinking and capricious punishments could spawn another tragedy some day. The whole nation must face it too. For signs multiply that American society is failing to teach many of the strong virtues—and not succeeding spectacularly with the others.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

Kenneth Miyake, a student at the Joliet Junior college, addressed the Marley Missionary society at their regular monthly meeting last Wednesday. He gave the group a better understanding of the Japanese people. Mr. Miyake has been in this

country for three years and will soon return to Japan where he will do Christian work.

The meeting was held in the cafeteria of the Lincoln-Way high school. Love gift boxes were turned in at this time and it was announced that anyone not present may turn them in any time now. Refreshments were served by Mrs. Charles Sievert, Mrs. Clayton Cleveland, Mrs. Carl Wegner, Mrs. Charles Dale and Mrs. Richard Been. After the meeting, the group toured

the school.

The Marley and Homer churches will unite for their annual Memorial day service, Sunday evening, May 27 at 8 o'clock in the Homer church. The address will be given by Rev. Philip Muth, pastor of the Homer church. Rev. Herschel Aseltine of the Marley church will assist. There will be special numbers from the congregations. The committee in charge consists of Mr. and Mrs. Robert Shepherd, Mr. and Mrs. Edward Sproat, and Mr. and Mrs. F. M. Milne.

The Robert Sproats entertained at a dinner party in their home Monday evening in honor of the 53rd birthday of their son David. David had a pretty birthday cake and many nice gifts. His guests were John Pilas and Scott Killinger of Joliet, Larry and Billy Martin and Laurel Sproat.

The Young People's group of the Marley church will sponsor a sacrifice supper at the church Tuesday night, May 29. Serving will be from 5:30 until 8 p.m. Everyone is welcome to attend.

Mr. and Mrs. Fletcher Elinson Sr. spent the week end on a fishing outing in southern Illinois.

Mrs. Elizabeth Branch was an overnight guest Friday in the home of her brother, Frank Liszt. Mrs. Branch was enroute to her home in Kalamazoo, Mich. from Tulsa, Okla., where she spent the winter.

Mrs. Charles Elliott attended a luncheon for the Woman's Auxiliary of the McCormick Seminary of Chicago at the Willow ave. Presbyterian church in Joliet Monday.

Mrs. Mary Marshall was a dinner guest Sunday in the Clayton Cleveland home.

Mr. and Mrs. Victor Zaloudek were dinner guests of friends in Berwyn Saturday evening.

Mrs. W. B. Storm of DeKalb spent last week with Mrs. C. F. Haley and Miss Agnes.

Linda and Susan Maywald of Lombard were weekend guests of Mr. and Mrs. Fletcher Binion Jr.

Mr. and Mrs. Charles Sass were guests at a party Saturday evening in the home of Mr. and Mrs. Herbert Senning in Lockport.

Guests Sunday afternoon in the Clayton Cleveland home were Mr. and Mrs. Carol Jamieson and family of Oak Lawn and Mr. and Mrs. Clarence Wilming-ton of Lockport.

Mr. and Mrs. Charles Elliott entertained their canasta club at a dinner party in their home Saturday evening.

Mr. and Mrs. Daniel Sass and Frank Liszt Sr. spent Sunday with relatives at Kalamazoo, Mich.

Mr. and Mrs. Ed Malnar and family of Tinley Park were Monday evening guests of the Clayton Clevelands.

The annual school picnic of Community school Unit 207-V will be held Sunday, May 27, at the Racoon Woods at Monice beginning with a potluck dinner at noon.

The Rotary at Peotone is sponsoring the appearance of the Leonard Circus in the Fair Grounds, May 25, with two performances, 2 p. m. and 8 p. m.

Robert Mager, son of Mr. and Mrs. Alfred Mager, was baptized Sunday morning in the Immanuel Lutheran church at Mokena by the Rev. A. W. Gode. Present at a dinner in the Mager home following the service were Mr. and Mrs. Leslie Mager and family.

New officers of the MYF of the Methodist church are Beverly Bettenhausen, president; Stanley Johnson, vice president; Kathryn Ullrich, secretary; Don Hoffman, treasurer; Joann Burmeister, Christian outreach; Janet Johnson, worship; Lyle Bettenhausen, missions; Norma Burgermeister, community service; Roger Ullrich, recreation and Ronald Steinberg, reporter.

Miss Ida Schumacher and brothers, Otto and Walter spent last Wednesday at Forest Park

with Mrs. Mamie Goltermann and Mrs. Tillie Hermann.

Mr. and Mrs. Henry Kuse, Mr. and Mrs. Leslie Koenig, Mr. and Mrs. Norbert Brockman and Mr. and Mrs. Robert Simpson of Frankfort and Mr. and Mrs. Robert Klier of Monice dined out Saturday evening and later enjoyed bowling at the Frankfort Bowling lanes.

Mrs. Robert Hummel of Oak Park spent several days this past week with her sister in law and family, Mr. and Mrs. M. J. Nolan.

The Junior Adults will meet in St. John's church of North Peotone Friday evening, May 25 at 8 o'clock. Slides will be shown. Hostesses are Mr. and Mrs. Donald Wike and Mr. and Mrs. Norman Yunker.

The annual union Memorial service given under the auspices of the Peotone Ministerial Alliance in cooperation with the American Legion and Auxiliary will be held at the Peotone high school, Sunday, May 27, beginning at 10:45 a.m. All churches of North Peotone and Peotone will participate in the service. The Rev. Lee W. Rockwell former chaplain and now administrator of the Uhlch Children's Home in Chicago, will be the speaker.

Mrs. William H. Bettenhausen attended her club meeting last Thursday afternoon in the home of Frank Bobzin at Manhattan.

Mr. and Mrs. John Bauch and son Donald and Mr. and Mrs. Irvin Rehberg and Jane attended the birthday party in honor of Mrs. Garlen Kurth at Grant Park last Friday evening.

Can Apply For Wheat Allotment

Farmers on land on which no wheat was seeded for grain for any of the years 1954, 1955, and 1956, may apply for a 1957 wheat acreage allotment, according to R. M. Smith, chairman of the Will county agricultural stabilization and conservation committee. To be considered for an allotment on a farm which had no wheat seeded for grain for any of those years, the farmer must apply in writing to his county ASC committee by August 31, 1956.

Blank application forms are available at the county ASC office for use in filing for allotments.

Lohman Asks For License Revocation

(CNS) In a letter to Mayor Bernard Smuczynski of Peotone, Ill. Sheriff Joseph D. Lohman today recommended that the liquor license of the Esquire club at 15647 South Halsted st. be revoked.

Lohman raided the club on

April 14 and broke up a card game.

On April 25 the charge against the club was dismissed by Judge Harry Lambert in Homewood Court.

Lohman in his letter says that in spite of the dismissal his officers observed gambling and asks the mayor to revoke the license.

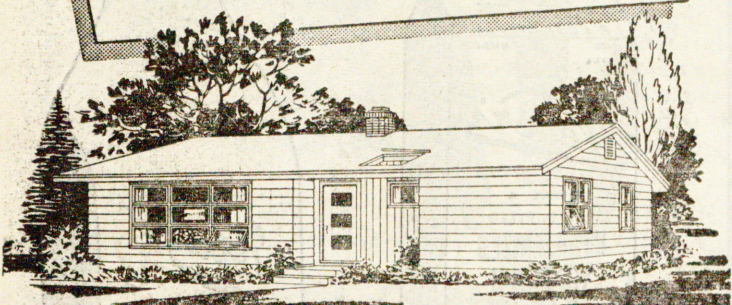

It's just as well to plant your garden on a nice day, since you won't gain any time by planting under band conditions.

CARD OF THANKS

To all my friends and neighbors, relatives, many thanks for the gifts, flowers and cards, and for all kindnesses shown during my recent illness.

ROBERT STEPHEN

Dr. and Mrs. W. V. Hedges, Mr. and Mrs. Lawrence Woodman and Mr. and Mrs. Glenn

Folkers of Joliet dined at Surmas' Sunday evening, following they spent the balance of the evening in the Hedges home.

Amite club will meet Tuesday May 29 with Mrs. George Heisner.

Mr. and Mrs. George Waldvogel spent Saturday evening with Mr. and Mrs. Kenneth Waldvogel to help celebrate the first birthday of their grand son Kendall.

Mr. and Mrs. Ervin Schellhase and Mrs. Fred Schellhase were dinner guests Sunday of Mr. and Mrs. Conrad Mark, Jr., at Manhattan to help celebrate

the ninth birthday of Linda Mark.

Mrs. Katherine Heisner and Mrs. Harry Miller motored to Culver, Ind., last Thursday and spent the day with the former's daughter and family, the Edwards.

Mrs. Elsa Genens of Frankfort received word of the birth of a grand daughter born to Mr. and Mrs. Dale A. Genens at Fountain Inn, S. Car. Donna Rae weighed 8 lbs. 9 1/4 oz. and was born May 13 at the army base hospital.

Mr. and Mrs. Elmer Batson visited with Mr. and Mrs. Edward Dorband at Blue Island Sunday afternoon.

William Wolfe returned Monday after being a medical patient in St. Joseph's hospital for several days.

Mrs. Gertrude Eichmeier was removed to Silver Cross hospital Sunday evening with a fractured hip.

Dr. and Mrs. O. J. Novota and family spent the weekend at Holland, Mich., attending the tulip festival.

The Honey Bees 4H club met in the Rudman basement Friday evening with the vice president, Beverly Kluth presiding. After the officers gave their reports pictures were taken of the members who took part in the Share the Fun night. April Schweizer led the recreation.

The Senior Youth Fellowship of the St. Peter's church will go on a moonlight cruise on Lake Michigan Saturday evening, June 2. Reservations should be made by calling Miss Joanne Hansen at 3041 and if at all possible not later than May 27.

Mr. and Mrs. Orville Schinkowski and children and her parents, Mr. and Mrs. William Seemann motored to Palatine Sunday where the latter visited her sister, Mr. and Mrs. Daniel Schmeichel. The Schinkowski's spent the day with the Earl Schinkowski's at Arlington

Heights and Walter Schinkowski at Palatine.

Mr. and Mrs. Lester Heisner and family accompanied by Mr. and Mrs. George Mager of Joliet attended the confirmation service of the Hope Evangelical Lutheran church at Midlothian, Sunday. The Magers' grandson, Kenneth Mager, son of Mr. and Mrs. Russell Mager, was a member of the class. Following the service all dined out, and then went to the Russell Mager home in Chicago for a social afternoon.

The Senior MYF of the Methodist church will sponsor a family night pot luck supper in the church. Following the supper the MYF will conduct a parcel post sale of auctioning packages that have come to them by mail. Packages have been solicited with a value of at least 50c and are to arrive before June 1. The public is invited to attend both the supper and the auction sale.

HOMER

Lockport, R. 1
Telephone Lockport 1387M

The Missionary society will meet in the church Thursday, May 31 with Mrs. H. V. Drees and Elizabeth Anderson as hostesses. Pot luck dinner will be served at noon.

At the Memorial Day program at Barnett cemetery Sunday, May 27, at 2 p.m. the Rev. Philip Muth will be the speaker. There will be music and recitations by neighborhood children. In case of rain will go to Barnett school house.

The Marley-Homer group will meet in the evening for their traditional service at Homer church. The Marley choir will sing and there will be other special music. The Rev. Muth and the Rev. Aseltine will conduct the program, beginning at eight o'clock.

Mr. and Mrs. John Mark of North Cedar road are parents of a son born May 17 in St. James hospital, Chicago. Heights He has been named John J. and will be a playmate to Marcia. Mr. and Mrs. Harry Kuhlman of New Lenox stayed several days in the Mark home while Mrs. Mark was hospitalized.

Mrs. John Loucks returned Tuesday from Florida where she had been the guest of her daughter and family, the James Springers for the past six weeks. Mrs. Robert Shepherd gave a doll demonstration at the mother daughter banquet of the Frankfort Methodist church.

Approximately 100 women attended the breakfast at the Homer church Wednesday morning. The bake sale held the same morning was a success. The church women are grateful for the cooperation of the neighborhood.

The Homer-Lockport Home Bureau unit met Wednesday afternoon, May 23, in the home of Mrs. Arvid Anderson, East 7th St., Homer twp.

Mrs. Paul Bittler, Sr. and Mr. and Mrs. Paul Bittler, Jr. spent a few days in the home of the former's daughter, Mrs. Chester Filipowicz and family. The Bittlers live in Pennsylvania.

The budget for Homer church for the coming fiscal year was presented to the congregation and approved by them Sunday. Pledges will be mailed in time for their return on Loyalty Day June 3.

The Joe Vancil family of Downers Grove called on relatives here Sunday afternoon.

The Country Charms 4H girls were successful hostesses at a party for their mothers in the Homer church last Monday evening. Adrienne Sendra, club president, presided. A buffet supper was served which had been prepared by the girls. A program consisting of musical numbers, a skit entitled "Planning Committee," a humorous reading, "Why I Believe in Mother's Day" and games were much enjoyed. The girls presented each mother with earrings which were a club project. Several local people captured ribbons at the flower show sponsored by the Will county Federation of Garden clubs at Besold hall in Lockport last Mon

day, in connection with their spring luncheon. The Prima African Violet club was hostess.

The New Lenox Garden club received a blue ribbon for their country luncheon table, with the red ribbon going to the Prima club on a spring luncheon table. Mrs. Fred Lemke of Lemont won second on a table arrangement, and Mrs. A. J. Graf, also of Lemont won blue, red, yellow and white ribbons on specimens.

Mrs. Reed Burch of Homer took home five blue ribbons on specimen violets, and Mrs. William Ziesemer won red, yellow and white, also on specimens.

The June luncheon meeting of the Northern Illinois African Violet council, of which the Lockport Prima African Violet club is a member, will be held at 12 o'clock noon, Monday, June 4 at Nielsen's restaurant, 79th and Western, Chicago.

Mrs. Arthur Fritz of Park Ridge, noted lecturer and flower show judge will be the speaker. She will demonstrate artistic flower arrangements.

The luncheon has been arranged by Mrs. Elsie Mooth of Elite garden club of Chicago and Mrs. Harry Bell of the Roseanna Violet society of Chicago.

The Council consists of clubs in the Chicago and suburban area. A special prize will be given the club with the most members attending.

The following officers will be installed: Mrs. G. P. McGraw, Downers Grove, president; Mrs. E. O. Moss, Arlington Heights, vice president; Mrs. M. C. Hoefler, Evanston, secretary and Mrs. Alice Johnson, Chicago, treasurer.

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

Millicent Halik, Cheryl Stoner and Carol Peterson from Lincolnwood Hills have joined the Bluebird 4H club at New Lenox.

Other girls from the Schmuhl school district who have joined the club are Carol Foutz, Shirley Herr and Jean and Joyce Smith. Millicent Halik also entered the baton twirling class of the Minnath Studio of Dance, at New Lenox recently.

Bullet, the German shepherd dog of Mr. and Mrs. Richard Pokorny, received a qualifying

score of 189 1/2, and his first "leg" toward his Companions Dog degree at the Dog show held in Lake Forest Sunday.

Brace Hollenbeck, son of Mr. and Mrs. Ed Hollenbeck, attended the annual Boy Scout camporee, over the weekend, at Kankakee river state park, with troop 49 of New Lenox. Mrs. Hollenbeck and daughter Jane, attended the picnic dinner there Sunday, for the parents and families of the troop 49 scouts.

Mr. and Mrs. A. M. Konkel of Milwaukee, Wis. spent Sunday with their son, Mr. and Mrs. Leonard Konkel and family.

Kathy, Betty Jane, Dennis and Susan, children of Mr. and Mrs. William Malloy have been confined to their home with measles.

Cub Scout members of Pack 41, their parents and families, and Den mothers, with Cub Master Vern Newsome, will hold their first pack meeting with a weiner roast Tuesday night, May 29, at Van Horn woods.

Ralph Oldt has recovered from a seige of measles.

Mr. and Mrs. D. M. Owen and family spent Sunday in Chicago with friends and relatives.

Randy, Jerry and Kathy Konkel, children of Mr. and Mrs. Leonard Konkel have been ill several days with measles.

Mr. and Mrs. Richard Pokorny and family were guests Saturday of Mr. and Mrs. George Novotny in LaGrange Park.

Members of the executive board of the local Lions, met Monday night for a brief meeting, at the Lincolnwood Drive-In.

Mr. and Mrs. Keith McDonald of Forest Park were guests Sunday night of Mr. and Mrs. Walter Thode.

Guests Sunday of Mr. and Mrs. Marcel Halik and family were, her parents, Mr. and Mrs. Joseph Novak of New Lenox, her aunt, Mrs. Mary Novak and son John, and cousin Mrs. Alice Vanek of Cicero.

Mrs. W. G. Ascott has returned to her home in Aurora after spending a few days last week with her daughter, Mr. and Mrs. Robert Taylor.

Michael Newman, son of Mr. and Mrs. Clare Newman has been quite ill with the measles.

Vern Newsome, Cub master of Cub Scout pack 41 of Lincolnwood Hills, accompanied by Clare Newman, Fred Cortwright and Richard Pokorny, to the Cub Scout round table meeting held in the Plainfield Methodist church Wednesday night.

You can feed up to 40 percent less concentrates when you take pigs out of drylot and put them on a good legume pasture.

YOU CAN TAKE IT with you.
In each of Ford's six Station Wagons, folks and cargo both ride in roomy comfort.

In wagons, too, FORD goes FIRST!

Take your pick of America's best-selling station wagons... each offering performance that has made Ford the world's largest-selling V-8

When you choose a Ford Station Wagon, you get the best station wagon value. And sales prove it! In 1955, for the fifth straight year, Ford sold more wagons than the other two low-price makers combined!

Here's a sample of why folks choose Ford:

"I like the way I can change my step-passer Ford wagon from a 'haver' to a 'carrer' in just three seconds flat—and that's no exaggeration!"

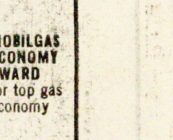

"What I appreciate is the room in my eight-passenger Country Sedan. With nearly nine feet of space, I can tote a half-

ton of cargo or half a pack of cub scouts!"
"My Ford Custom Ranch Wagon does something I never thought any wagon could do: gives me as comfortable a ride as I get in our family sedan! And I appreciate its scuff-resistant upholstery, too."

"I chose a 225-h.p. engine for my Ford wagon. And what a performer! It whisks me from 'whoa' to GO in less time than I can tell it."

Why not Test Drive your pick of Ford's six double-duty dandies? Whether you choose 2 doors or 4, seats for six or eight, you'll go first when you go Ford!

In Performance... Safety... Economy

FORD goes first!

Now! A Ford with air conditioning costs less than many medium-priced cars without it!

Try one today!

*Based on a comparison of manufacturers' suggested list prices.

Fixes Deadline for
Complying With U.S.
Wheat Regulations

Wheat growers in Will County who have excess wheat can still get into compliance if by June 10, 1956 they will turn under such acres for green manure, cut it for hay or silage, or clip or pasture it so as to prevent maturity. This statement was issued by Roy M. Smith, Will county ASC chairman.

All farmers who have wheat acreage in excess of the allotment should carefully check the following rules, warned Mr. Smith.

1. If there are more than 15 acres of wheat on a farm, and such acreage is in excess of the allotment a marketing penalty will be established. Suppose the allotment is 9 acres and there are 17 acres of wheat. A penalty will apply on all the acres in excess of the allotment or on 8 acres in this case.

2. In no instance will price support be available for wheat produced on a farm on which the allotment is exceeded.

3. Marketing quotas do not apply to farms with 15 or less acres of wheat, but don't be misled by this provision. Once the 15 acre mark is passed the penalty applies to every acre in excess of the allotment. Suppose there is no allotment on a farm. Up to 15 acres may be grown without penalty. If 16 acres are grown in this case a penalty would be established on the entire 16 acres. One extra acre would then result in a 16 acre penalty.

Any producer desiring to utilize a part of his acreage for green manure, hay, pasture or silage in order to avoid penalty, or become eligible for price support, or both, should take such action sometime ahead of the June 10, 1956 deadline date. It's always possible for the weather to turn bad, said Mr. Smith and we would hate to have any of our farmers lose out by just one or two days.

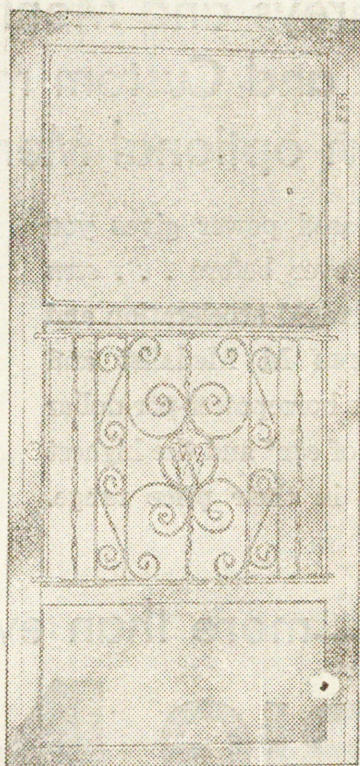

In all instances where farmers take advantage of this provision it will be necessary for a second inspection of the farm to be made. We would, therefore, appreciate farmers advising us as early as possible of their intentions. Notice should also be given our ASC office if there are any cases where, by oversight, we have failed to check on the wheat acreage. No marketing cards can be issued until a farm has been measured, so it's to the producers advantage to make certain that compliance has been checked.

Devotional Reading: Isaiah 49:7-12

Sending Spirit

Lesson for May 27, 1956

IF THE Descending Spirit is the story of the second chapter of Acts, the thirteenth tells part of the story of the Sending Spirit. People may be very much interested in the Sending Spirit but not enough in the Sending Spirit. People today like Simon of Samaria in olden times, want the Holy Spirit to descend into their hearts—but for the wrong reasons, sometimes. We want the Spirit to help us do what we want to do, to accomplish our plans, to Dr. Foreman make us persuasive and popular personalities. But the Spirit of God, although everybody's aid, is nobody's aide. The aide to a general is just the General's right arm, his tongue—whatever the General wants done, the aide is there to see it done. The Holy Spirit is no aide!

God Can Break Up Good Plans
The church at Antioch was going strong when the Holy Spirit broke into their plans. We don't know how the Spirit spoke to them, nor how they were sure it was the Spirit. But one thing is pretty certain; they must have had plans which the Sending Spirit broke up. Barnabas and Saul were what we call today Associate Pastors of that big city congregation. They had been together there only a year, and that is a short pastorate. Very likely Saul and Barnabas both, along with the church, had plans of one kind and another afoot—good plans, evangelistic, sacrificial. But the Spirit said No. The Spirit had other plans. The church must set aside Barnabas and Saul, cut them off from their growing, successful work in the First Church of Antioch, and send them out as missionaries. They must go to parts unknown, to places not nearly so important as Antioch, to the backwoods perhaps. They must go out and endanger their lives, far from the peaceful busy streets of Antioch. The Holy Spirit has often come to men in disturbing ways. He often breaks up our best plans. The thing to remember is that God knows better than we do. God's Spirit never breaks up a good plan unless it is for the sake of his better one.

The Spirit Through the Church

The way the Spirit operated there in Antioch is instructive. The Spirit called Saul and Barnabas; also the Spirit spoke to the church. The command was given: Separate Barnabas and Saul for the work to which I have called them. And the church obediently "laid its hands on" these two leaders and sent them out. The Sending Spirit often works in this way. Most missionaries today are selected and sent out by mission boards of some kind. The boards will not, if they know it, send any one to a mission field who has no sense of being called by the Spirit. But on the other hand, even if a young man feels the Spirit has called him, if in the Board's judgment he will not make a good missionary, they will not accept and send him. This is all in the wisdom of God. It gives a missionary today, and it gave Saul and Barnabas back yonder, a strong "lift" to know that the church is backing them up, praying for them, wishing them well, ready to send reinforcements if they fall by the wayside. Sometimes the only way a call of the Spirit comes to a man or woman is through the church. Older Christians ought to realize their responsibilities here.

The Church Through Men

God does not call all men to be missionaries. But he does call every Christian man, woman and child to be missionary. That is, missionary in heart and purpose. The church that is not sending and supporting missionaries, directly or indirectly, by themselves or through a board of missions, the church that is not out there on the firing line through its representatives, the church that doesn't even know there is a firing line, the church that spends all its money and all its interest on itself—such a church is not even a cousin of the kind of church we read of in the early days, like the Church at Antioch. The selfish congregation is contributing to the death of the church; the sending church is contributing to its life—its own and the life of the Christian fellowship around the world.

Civil Defense Plans Alert for
All Parts of Nation July 20-26

Datelines, advance standards and other details on nationwide CD Operation Alert 1956, July 20-26, revealed several advancements over 1955's alert test. Date was disclosed in an information bulletin issued to Illinois' CD units by State Director Gen. Robert M. Woodward.

The bulletin gave advance operational methods to be employed in the annual "alert" in which the state will join with FCDA, office of defense mobilization, department of defense, federal departments and agencies and the U. S. states, territories and possessions in coping with and combating the "enemy airborne assaults."

The 1956 exercise will be based upon 125 hypothetical nuclear and guided missile attacks on 52 target areas in the Nation. Weapons will vary from Hiroshima's 20 kiloton to the 5 megaton type bomb.

Illinois will be "struck" by four bombs: an air burst and a ground burst over Chicago's metropolitan area of five megatons each; a 100 kiloton ground burst on both Springfield and Rock Island-Moline areas. Last year, Chicago was the only target of "assault" in the state although several areas would have suffered fallout effects.

The general purpose of the July exercise will be to "test and promote CD operational capabilities and provide nationwide training with opportunity to improve CD plans at all levels."

New feature of Operation Alert 1956 are:

- Location of ground zero will be "secret" until actual attack time, giving more realism and urgency to the operational role of local CD Directors and staff.
- All weather data will be calculated "as of the moment" excepting 3 radioactive fallout patterns to be predetermined from June 30, 1955, plotings.
- Guided missiles with H-bomb warheads will be utilized on coastal cities for the first time.
- Central Standard time will be employed and all periods will be based on actual time.
- Sabotage, plane crashes, capture of enemy personnel and equipment, rumors, biological and chemical warfare and other

Weed control in corn is also a much discussed subject. Effective control starts with sound cultural practices over the entire farm (preferably the entire community.) Buying clean seed cleaning harvesting equipment, clipping and possibly hoeing are examples of good cultural practices. Corn cultivations should be few and shallow. Often the only valid reason for cultivation is weed control. Other benefits, such as soil aeration and crust

combat incidents will be incorporated. Most of these were excluded in 1955.

The warning notice indicated that Illinois will only engage in Phases I-II of the test, July 20-22. Local corps will finish activities at end of Phase I, July 21st. Phases III-IV, July 22-26, will be limited to federal agency participation.

Gen. Woodward stressed these factors in his bulletin:

—A local situation for each of the seven target and support areas in the state will be provided to lend heightened reality to the test.

—All accredited (state approved) corps are expected to participate. Non-accredited organizations are urged to become approved by submitting their plans to the state office prior to the July exercise.

—Approved corps are expected to mobilize key staff members by conducting actual mobilization of volunteers, activating control centers and assuming actual-type problems.

—Public participation is encouraged to the degree that the capabilities of the local CD will permit. The public may be urged to respond to assumed attack warnings, or take shelter. This will most likely occur prior to "attack" in order to focus full attention on control center operations when the "strike" occurs. Throughout the nation, in 1955, 640 cities sounded air raid warnings, 80 cities took some evacuation measures moving approximately 118,000 people to safety.

—Support communities—those not included in target areas—will test air raid warnings systems and be subjected to problems they might encounter under actual attack: reception of evacuees, control of traffic, radiological fallout defense and control of unusual combat incidents.

—Lethal fallout blanket will sift down over areas from South Chicago toward Gary, Rock Island toward Dixon and Springfield toward Champaign.

Operation Alert 1956 will provide an opportunity in which all Illinoisans can and should learn what to do—if an attack should ever come, said Gen. Woodward.

The speed of the modern ELECTRIC ranges!

25% faster than 5 years ago—

today—nothing cooks faster!

Perfect roasts every time!
That's the kind of results you can expect with G.E.'s new electric meat thermometer.

Hot coffee in 1 minute! With today's speedy electric ranges, you can make a cup of instant coffee in one minute. Shown here is a new G.E.

In recent years, electric ranges have undergone some very remarkable changes.

From the great electrical research centers have come new high-speed surface units that transform electricity into cooking heat in seconds.

But today's electric ranges also keep your kitchen an average of 10 degrees cooler. (And about twice as clean!)

To this add the "new idea" features of modern electric ranges... automatic timers, rotisseries, deep-well cookers. See them at your dealer's soon. Learn how little it takes to own a new electric range.

BIG SAVING—We Pay Part of Your Range Installation Cost!
Need new wiring to install your electric range? We share the cost with qualified home owners in 1, 2 and 3-family dwellings. This can cut your expense by about half. And you get more than a money saving! This new wiring helps improve your TV picture, brightens lights, makes everything work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply.

See your electric appliance dealer

PUBLIC SERVICE COMPANY

Plaster Slab by Roadside Marks Grave of Early Illinois Doctor

John W. Allen, Southern Illinois University, says that the grave of Dr. George Fisher, an early and influential resident of Illinois, is located at the Doctor's somewhat lonely grave beside the blacktop road about nine miles south from the point where Illinois Highways 3 and 155 are joined at the village of Ruma. It is a scant half mile south of St. Leo's church. This memorial is near the site where Dr. Fisher built a home and opened a farm in 1806. It was about this farm that a community grew up that is even yet referred to by an occasional older as the "Fisher Settlement." It was also at this place that Dr. Fisher built a hospital, the first one in Illinois, in 1808. The legend on the large metal marker says, "George Fisher, Early Illinois Physician, member of the first House of Representatives of Indiana Territory, speaker of the house in the first and third Illinois territorial assemblies (1812-1814, 1816-1818) and member of first Illinois constitutional convention 1818. His body lies here." The gravemarker or "tombstone" at the doctor's grave is somewhat unique. It is a plaster of paris slab about 12 by 16 inches set in a crude masonry base. Both the slab and the base are evidently the work of those who erected it. The inscription

cast in this slab can now be read only with difficulty. Near the top it records the fact that Fisher was the "First sheriff of Randolph County, Member of first Legislature of the Territory of Illinois, Member of Constitutional Convention." At the center it says, "Dr. George Fisher died 1820." At the bottom and now so badly weathered that its reading is extremely difficult, it tells us that "This tablet was placed by boy scouts of troop 3, Belleville, Ill." It leaves the visitor wanting to know just how the boys went about doing the job, and what prompted them toward this particular project.

The exact date when Fisher, a native of Hardin county, Virginia, came to the Kaskaskia vicinity is not known. Obviously, it was at some time prior to his appointment to the Court of Common Pleas of Randolph county in 1795. When Fisher came to the county it was not to practice medicine, but to engage in the mercantile business. After his coming, however, he took up the study of medicine and shortly began the practice of that profession. No records have been found to indicate that he ever attended medical school. His training apparently consisted of the reading and observation he did plus a bit of information and perhaps suggestions from practicing physicians. He was essentially self-taught. Despite his evident lack of formal training, Fisher is regarded as one of the most capable and distinguished of the state's early physicians. At one time he served as regimental surgeon in the Illinois Militia.

When Randolph county was formed as a part of Indiana Territory, Governor William Henry Harrison appointed Fisher as the first sheriff of the newly created county. His services in that office are recorded as highly satisfactory. In 1805 Dr. Fisher and Pierre Menard were elected as representatives from Randolph county to the Indiana Territorial Legislature. As members of that body both of them were definitely in favor of slavery. Fisher was one of the first who urged the separation of Illinois Territory from that of Indiana, advocating such action and signing a petition to that effect. That he was highly regarded in the Indiana Territorial Legislature was evident in 1807, when he was appointed to the Legislative Council, a policy-making body that worked closely with Governor Harrison.

It was in 1808 that Dr. Fisher did one of his most distinctive bits of work. In that year there was a smallpox epidemic in St. Louis and in the nearby Illinois Country. In an effort to control this disease in Illinois Dr. Fisher erected the hospital near his home. Here he successfully treated

HIGHLIGHTS OF FARM LIFE

by William F. Whiteside
Cook County Ass't.
Farm Adviser

Recently I had the pleasure of sharing in the presentation of a National Junior Vegetable Growers' Ass'n award to Bill Lorenz of Chicago Heights. Bill is an outstanding 4H club member, as well as being active in NJGVA. The basis for this award was the excellent work carried on by Bill in his vegetable production project. In addition to his regular project work, Bill cooperated with Dr. Norman Osbaker, Extension Specialist in Vegetable Crops, University of Illinois, in a tomato variety trial. Other activities of this ambitious young man include, presidency of his local 4H club, the Glenwood Aces; program chairman of the County 4-H Federation, and an active member of his FFA Chapter in the Bloom High Agricultural Department under the supervision of my good friend Ed Mayhew.

I cite this case here because it exemplifies the vigorous, constructive, purposeful pursuits of the ninety-eight plus percent of the teenagers of today; that vast number who do not make news paper headlines with the odious s t a m p, juvenile delinquents. There are a number of very credible organizations working for and with these teenagers. I would like to briefly discuss one of these organizations, 4H Club Work.

This unique organization for rural young people has as its aim the training of the Head, Hands, Heart and Health for improved citizenship, clearer thinking, better living, and loyal service to club community and country.

In Illinois over 64,000 young people worked toward these goals last year. In Cook County some 1,258 boys and girls took part in the program.

The focal point of 4H club work is the project, which is a task selected by the member. Projects are available in all phases of agriculture and Home Economics. Through these projects members learn to accept responsibility, new methods and skills, ways to earn a living. 4-H club work dignifies and adds stature to the home arts.

In addition to project work, members engage in recreation, judging, demonstrations, safety, cooking and health activities, which add zest to the program.

When a youngster enrolls in 4H Club work and selects a project, he or she receives a manual outlining the tasks to be accomplished and a record book to keep track of achievements. In addition they attend local club meetings under guidance of a local adult leader. Each member speaks or demonstrates on the local club program. 4H members also exhibit their completed project work at the 4H Fairs. At last year's Fair in Chicago Heights over 20,000 people viewed project work done by 4H members.

The 4H program is open to boys and girls between 10 and 21 years of age. The enrollment deadline is June 1, however, many projects must start earlier to allow sufficient time for their completion by September 30. To start a new club requires 5 interested young people and an adult leader.

Anyone interested in joining or leading a 4H Club may contact me at South St. and 66th Court, Tinley Park. I also have brochures outlining 4H activities, which I will gladly send you free of charge.

PHYSICIANS AND PHONES
The American Cancer Society says cancer cannot be cured by pills, powders, ointments or other phony nostrums used by quacks. Only a doctor can diagnose and treat cancer, advises the ACS.

Cooperation by Patient is Big Factor in Treating Heart Cases

An individual's own "zest for living" and intelligent cooperation with his doctor can tip the scales in favor of recovery after a heart attack, writes Dr. Paul Dudley White in a booklet for heart attack patients, now available from the Region II office of the Illinois Heart Association, 4 E. Clinton St., Joliet. This cooperation can be achieved, according to Dr. White, if a patient has "enough understanding of his heart disease and its treatment and enough confidence in his physician to follow recommendations wholeheartedly."

Dr. White is the noted Boston cardiologist who attended President Eisenhower during his illness and recovery from a heart attack. His new 16 page booklet, entitled "Heart Disease Caused by Coronary Atherosclerosis," is an extensively revised edition of an earlier pamphlet by Dr. White, first issued in 1950.

Following a coronary thrombosis a patient's cooperation can be decisive, according to Dr. White, during the time required for what he terms the "bruised" area in the heart muscle to be replaced by a "perfectly firm, well healed scar." If no complications develop and the patient faithfully follows the routines set forth by his doctor, he can generally expect to "get fully back into the swing of things" within three or four months.

Dr. White writes, "and that means back to the job. Only in a minority of cases is a heart attack fatal. Eighty per cent survive their first heart attack and most of them recover enough to enjoy many years of productive activity."

Eventually, Dr. White points out, many persons who have recovered from a heart attack play golf, walk and exercise in moderation without trouble. "Mild exercise is beneficial rather than harmful," he said.

In the new booklet Dr. White also describes anemia, pectoris, an "ache of the heart muscle itself." This condition can be helped, according to the doctor, by careful regulation of habits of life and the use of blood vessel dilating drugs. Frequently angina disappears or becomes greatly lessened as new "collateral" blood vessels develop in the heart to compensate for those impaired by disease.

Dr. White points out that the cause of atherosclerosis, the condition underlying both anemia pectoris and coronary thrombosis, is still unknown. "Many measures, medical and surgical, are under investigation in both experimental animals and man himself," he notes, but "as yet no preventive method has been introduced that can be devised for routine use. We need many more controlled studies. Research into the problem of atherosclerosis must give special attention to such factors as hormones, age, diet and heredity. Full support of this kind of research," Dr. White concludes, "should enable us to find the answers we need to protect the generations to come."

Gas Heats All the Water You Want at Half the Cost

Penny Flame says

COPYRIGHT, 1955, NORTHERN ILLINOIS GAS COMPANY TRADE MARK

MERCURY CUSTOM HARDTOP COUPE—one of eighteen big M beauties in four price ranges that give you more usable horsepower and Safety-First Design.

Now! At no extra cost... you get **235-hp** in Monterey and Montclairs... **225-hp** in Medalist and Custom models when equipped with optional Merc-O-Matic Drive.

Mercury's new increased power gives you faster response than ever before... even more usable power for rapid acceleration and safer passing! THE BIG M Medalist and Custom give you more horsepower-per-dollar than any other make of car* and the highest standard horsepower in their price range.

To match the low-cost Medalist's power and high compression, you would have to pay at least \$173 more in any competitive car.* And only Mercury in its field gives you a 4-barrel carburetor as standard equipment on every model. Come in today. Prices start below many models in the low-price field.

*Based on a comparison of manufacturers' suggested list or factory retail prices for 4-door sedan models equipped with automatic transmissions and standard power.

Now—more than ever your **big buy** is
